FIVE-MINUTE SERMONS FOR EARLY MASSES

as not only to disregard the law of God,

The Moon's Influence

Upon the weather is accepted by some as real, by others it is disputed. The moon never attracts corns from the tender, aching spot. Putman's Painless Corn Extractor removes the most painful corns in three days. This great remedy makes no sore spots, doesn't go fooling around a man's foot, but gets to business at once, and effects a cure. Don't be imposed upon and effects a cure. Don't be imposed upon by substitutes and imitations. Get "Putman's," and no other.

Searching for Proof.

There is no trouble in ascertaining from any druggist the true virtues of Hagyard's Yellow Oil, for all painful and inflammatory troubles, rheumatism, neuralgia, lumbago, frost bites, burns, bruises, sprains, contracted cords, stiff joints, aches, pains and soreness.

A Wise Choice.

In selecting a remedy for coughs and colds the wise choice is to take one that colds the wise choice is to take one that loosens the tough mucous clinging to the air passages. Such a remedy is Hagyard's Pectoral Balsam, which promptly breaks up hard colds and their troublesome effects.

A Seasonable Item.

During the breaking up of winter, when the sir is chilly and the weather damp, such complaints as rheumatism, neuralgia, lumbago, sore throat, croup, and other painful effects of sudden cold, are prevalent. It is then that Hagyard's Yellow Oil is found truly valuable as a household remady.

PARENTS SHOULD KEEP THEIR CHILDREN TARENTS SHOULD KEEP THEIR CHILDREN

The saddest item which our daily
papers bring us is that which tells of the
mysterious disappearance of a young girl.
Sometimes we read of her recovery, or

Sometimes the veil is never lifted, and
neither friends nor sympathizing strang. the recovery of all that is mortal of her. Sometimes the veil is never lifted, and neither friends nor sympathizing strangers ever know the end. Behind these simple items lies a world of temptation, of sin, of shame, of sorrow. No one can know what has been her home—what agony of soul and spirit has been endured in silence before the step has been taken which forever cut the cord binding to home, to mother and to friends.

We are all debtors, brethren, for we all have some accounts to settle up. Therem debts that are just, pressing and lasting as long as we are in the life. Such, for instance, is the debt we owe 60 dot.

Let the young men and more of our day remember that they are bound to exitify these grave and actious obligations. The Meen's Influence

FOR ALCOHOLISM.

DR. C. S. ELLIS, Wabash, Ind., say: "I prescribed it for a man who had used intoxicants to excess, for fifteen years, but during the last two years has entirely abstained. He thinks the Acid Phosphate is of much benefit to him."

There is nothing equal to Mother Graves' Worm Exterminator for destroying worms. No article of its kind has given such satisfaction.

The Cheapest medicine in use is Dr.
Thomas' Eclectric Oil, because so very little of it is required to effect a cure. For croup, diphtheria, and diseases of the lungs and throat, whether used for bathing the chest or throat, for taking internally or inhaling, it is a matchless compound.

Red Broatdow.

A Bad Breakdown. It is a common thing now a days to hear one complain of feeling all broken down with a faint, weary, restless, languor,

with strength and appetite nearly gone, and no well defined cause. This is general debility, which Burdock Blood Bitters promptly relieves, and most invariably In a Dangerous Condition.

Any man, woman or child is in a dangerous condition when neglecting a constipated state of the bowels. There can be no perfect health without a regular action of this function. Burdock Blood Bitters cure constipation by imparting a healthy tone to all the secretions. Orpha M. Hodge, Battle Creek, Mich., writes: I upset a tes kettle of boiling hot water on my hand. I at once applied Dr. Thomas' Eclectric Oil, and the effect was immediately to allay the pain. I was cured in three days.

What is Catarrh?

Catarrh is a dangerous disease which
thousands are consciously or unconsciously suffering from. It is a mucopurulent discharge caused by the presence of a vegetable parasite in the lining membrane of the nose. The predisposing causes are a morbid state of the
blood, the blighted corpusale of tubercle,
the germ poison of syphilis, mercury,
toxomos, from the retention of the effete
matter of the skin, suppressed perspiration, badly ventilated sleeping apartments and the germination of other
poisons in the blood. Irritated by these,
the lining membrane of the nose is ever
ready for the reception of the parasite,
which rapidly spreads up the nostrils and
down the fauces, or back of the throat,
causing ulceration of the throat; up the
eustachian tubes, causing deafness; burrowing in the vocal chords, causing
hoarseness; usurping the proper structure of the bronchial tubes, ending in
pulmonary consumption and death.

Many ingenious specifics for the cure
of catarrh have been invented, but without success, until a physician of long
