CERTIFICATES OF CURE. This may certify, that Amos Gates, of Wilmet, This may certify, that Amos Gates, of Wilmet, in the County of Annapolis came before me and stated that, in the year 1870 he was afflicted with a pain in his left side, attended with a severe and distressing cough, and was relieved by using Dr. Caleb Gates' No. 1 and No. 2 Syrups; and since that time, and in fact before, he has taken it at va-rious times for coughs and colds, and has always experienc d relief when using it. And in the fall of 1872, he was seized with a most violent pain across his bowels, and felt that unless he obtained relief from some source, he could not long survive. He sent for Dr. Gates' medicinos. The doctor learning from the messenger sent, that the patient OTTAWA, August 6, 1874. learning from the messenger sent, that the patient was yery ill, went himself and administered the medicine, and found it was a very severe case. The medicine used was the No. 1 Syrup and the Acadian Liniment; and there being great symptoms of in-flammation, there was no used as directed on the bottle, one bottle of No. 2 Bilters. The result of the combined medicines produced the most pleas-ing and satisfactory effects—restored ease, comfort and health in the shortest possible time. He also states that his mother has taken it frequently for coughs, colds and and different complaints, and the result has been in ev.ry case the most satisfactory. He further states, that he would recommend its use most heartily as a general family medicine. Amos GATES. AMOS GATES. Sworn to at Middleton, this 10th day of March, 873. before me. J. WHERLOCK, J.
