ed in New York: "A wit is a priceless man for a commu-nity; not a standal-monger, a heel-biter, a detractor, a cynic, whose own happinees in life being epold, is bent upon making others miserable; but a genail, bene volent reform-er, a wholesome and winning, though caus tic surveyor of events. People breathe more freely when they know there is such a man-in the ascendant, for wicked men will be stronger, and quecks will not have it eli their own way. Society is continually in need of the exploits of that knight errant, the wit. Evil creeps in unawares; some good but very foolish man perpetrates a the wit. Evil creeps in unawares, some good but very foolish man perpetrates a good deal of nonsense which is tolerated and even admitted by virtue of his goodness, even admitted by virtue of his goodness, and yet escaped slive. And there, by your

the sensorium and wake us up once more into daylight with a sensation of free honess living, or the old moralities of the world get dull and common place, worn, trite and battered, the effigies nearly of them. The wit is a general refurnisher, recossing the old coin and presenting it to us again cur-rent with the image of to-day."

time honored Jewish persussion, who not only lefi behind him an immenas forune, but also a character for extended benevoonly lett behind him an immenae fortune, but also a character for extended benevo-lence. And the laractites came from far and near to attend his funeral. Such a collection of nones, had not been seen in menoá within a living memory. And here were Rabbis of Genoa, who made for

ther. He's spake and said: "T wenty years ago, when I passed, a poor, starving wan derer, through this town of Genos, this good may tens me, two hundred (anes-to ease my rough road toward Calmar, and never 14 this sky has he asked a farthing of the interest or the copical of that kind tom, He's will find his asked a farthing of the interest or the copical of that kind tom, He's will find his neveral in Heaven Hellelujsh! Amen !! Thus spake the Rabbi, and departed spain toward his home, with his based we with tears. But to I when he arrived in the bosom of his numerous family there examption to him a summons to eppear before a court, The heirs at law of the defanct Rothenhid Real and a law of the defanct Rothenhid

event admitted by virtue of his goodness, and fixed as an institution before its incom-venience is fully suspected. Honest senti-ments with errors sticking to them are gradually beaped up into a monstrous aggre-gate of prejudice. Some bloated and over-led truth weighs society down like a buge nightmare, till the wit comes along to tickle
