## THE Acts of the Apostles

A SERIES OF LESSONS

By MISS KNOX

Principal of Havergal College, Toronto.  
Author of "Bible Lessons for Schools—  
Genesis—Exodus."

Prepared for Teachers and Pupils following the course laid down for study in 1909 by the International Sunday School Union.

From Rev. Canon Cody, Wycliffe College.

"All these volumes show a remarkable mastery of material (including the results of some recent investigation) and pedagogical skill in its presentation. To the teaching of these portions of the Scripture are devoted the same skill and method that would be used in imparting a lesson in history or literature. . . . To the Sunday School teachers who will be engaged in teaching the lessons for the coming year, chosen from the Book of Acts, this volume by Miss Knox will prove an invaluable help."

## The Resurrection of Christ

BY THE

Rev. Prof. JAMES ORR, M.A., D.D.

Author of "The Virgin Birth of Christ,"  
"The Progress of Dogma," etc.

"Professor Orr of Glasgow is in our judgment the most successful apologetic writer of the present day. He has no interest in science or theology or anything else that does not minister to edification. He is quite scornful over the seeker after truth who professes to be above considering where the truth may lead him. Professor Orr knows that the truth is in Jesus Christ. And he is just as sure that the representation of Jesus Christ which makes Him the truth is that which has been held by the Church Protestant. So his new book is a learned, unhesitating apologetic, the only book that it is of any use to write, if we are to have apologetics at all. He has chosen his subject with unerring judgment. The Resurrection is the citadel. It is less violently attacked now than formerly, but it is still the chief object of attack."—
