### Miscellaneous

Mr. Tamen has a menagerie. So has Mrs. Tamen. They travel all over the country independently, and thus manage to see very little of one another. This is what is called true conjugal bliss.

One day, however both chanced to hit upon the same town. They both shrieked when they saw each other, and then sat down to talk it over. Something must be done. So they decided to join forces for this time only, and then travel north and south respectively.

Next day the following announcement appeared in one of the local papers: "Mr. Tamen, proprietor of the Greatest Show on Earth, begs to announce that, owing to the entirely unexpected arrival in this town of Mrs. Tamen, his collection of ferocious and wonderful wild beasts has been augmented."

### THE SPOONERS

Together we sat in a tete-a-tete,  
The prettiest girl and I;  
The light was out and the hour was late,  
For time, you know will fly! By Jove,  
How rapidly time will fly!

Together we sat in the welcome gloom  
Alone, unheard, unseen,  
Though her mother was in the other room  
With a thin portiere between.

I knew that the mother in ambush lay—  
As mothers do, it seems—  
To carry the prettiest girl away,  
Away to the land of dreams. By Jove  
To the wonderful land of dreams.

But the cherry-like lips of the prett-  
miss,  
Alas, were a tempting sight,  
And I ventured to beg for a tiny kiss—  
Just one, before "Good night."

But the prettiest girl resented that  
In a way I'd never dreamed,  
For she fairly sprang from where we sat  
And, what do you think? She scream-  
ed! By Jove!  
She certainly did—she screamed!

I caught the coquette in my arms—  
Alack,  
For such is the way of men—  
And gruffly demanded of her a smack  
And then—and then—and then—

Her mother came cruelly in with a light  
And—what do you think she said?  
"Oh, come little lady, kiss daddy good-  
night."  
And carried her off to bed, by Jove!  
And carried the babe to bed!

A short time ago a surgeon had three leg amputations in a week. The unusual number caused talk in the surgeon's household, and his little daughter, Dorothy, was greatly interested. A few days after the last operation the surgeon's wife and little Dorothy were rummaging in the attic. In a trunk was found a daguerreotype depicting a girl about eight years of age. The portrait showed only one leg of the subject, the other being doubled up under her.

"Whose picture is that, Mamma?" asked Dorothy.  
"Mine. It was taken when I was a child not much older than you are are now."  
"Did you know Papa then?"  
"No, dear. Why do you ask?"  
"I thought maybe you did, 'cause you've only got one leg."

**THE FARMER FEEDS THEM ALL**  
"The farmer's trade is one of worth,  
He's partner with the sky and earth,  
He's partner with the sun and rain,  
And no man loses for his gain,  
Men may rise and men may fall,  
The farmer, he must feed them all."

### The One Thing Needed

Without fire, no heat! Without well digested food, no strength. That is Nature's law and it serves everybody alike. Well digested food makes us strong, vigorous and healthy. Undigested food makes us weak and ill. Dyspeptics are always weak and ailing. What they need is the power to digest their food and that is just what Mother Seigel's Syrup gives. It helps the stomach, liver and bowels to do their work properly. That is all, but it is strength.

Mr. Joseph Doucet, an employee in the mills at Petit Rocher, Gloucester County, New Brunswick, proves all this in a letter dated June 22nd, 1909, in which he says:—"My illness came through an obstinate case of constipation, so severe that I was unable to do my daily work in the mills. Pains after eating, due to bad digestion and frequent headaches, afflicted me off and on for nearly ten years. My breath was offensive, my tongue badly coated and my skin very fallow. I lost weight, suffered intense pains in nearly every part of my body, and often was very dizzy. For years I was trying to bear up under this strain. The rheumatism in my arms added to my miseries."

Every one of these symptoms which Mr. Doucet describes so well comes with Indigestion. His food was poison-  
ing of nourishing him. Now

read what he did.  
"I searched continually for medicines and had medical treatment, but found no benefit at all until I began to use Mother Seigel's Syrup and Pills. The very first bottle brought me the relief I had been seeking, and the contents of three bottles restored me to good health."

Food was the fuel which Mr. Doucet needed in his laborious work, but it was of no use to him unless he could digest it and gain nourishment from it. That was exactly the point at which Mother Seigel's remedies helped him—and he was cured quickly and thoroughly.

Mrs. John W. Taylor, of Port Grenville, Cumberland County, Nova Scotia, says in a letter of February 5th, 1909:—

"For a long time I was in a run-down condition. I was unable to do my housework, and was easily tired and exhausted. I was intensely nervous and I found it difficult to sleep. I had frequent headaches and dizzy spells, as well as palpitation of the heart."

"A friend advised me strongly to try Mother Seigel's Syrup, so I thought I would give it a trial. Before I had finished the first bottle I got much benefit, and after three bottles I was restored to good health again."

"Now, I always keep a bottle in the house, for I would not be without it, and I advise all who suffer as I did to give Mother Seigel's Syrup a trial. I am willing, and would be very pleased, to answer enquiries, concerning your medicine."

FROM  
**INDIGESTION**

HEADACHES, BILIOUSNESS,  
LANGUOR, PALPITATION,  
LOSS OF APPETITE,  
CONSTIPATION OR  
ACIDITY.

A course of Mother Seigel's Syrup will quickly set you right. It is a highly concentrated vegetable remedy, having direct action on the stomach, liver, and bowels. It aids digestion, regulates the bowels, expels all impurities from the system, purifies and enriches the blood, and thus imparts health and tone to every part of the body. Thousands of men and women are every year cured of indigestion and other stomach and liver disorders by Mother Seigel's Syrup. Their testimony, given without fee or reward, affords convincing proof that Mother Seigel's Syrup possesses curative and strengthening properties not found in any other medicine. As a digestive tonic, taken daily after meals, it has no equal.

**TAKE**

M'me Elvira Nowe, of Cherry Hill, Lunenburg Co., Nova Scotia, July 5, 1909, writes:—"I was troubled two years with Indigestion and my food would rise as soon as I had eaten it, and caused me severe pain and distress. Nothing relieved me until I began taking Mother Seigel's Syrup. When I had taken one bottle and a half I was quite cured."
