

received from each; the several appropriations made by the Council, the objects thereof, and the amounts expended under each; the moneys borrowed on the credit of the Corporation, the authority under which each loan was made, and the terms on which the same was obtained, shall be clearly and particularly specified; together with the amounts of all assessments ordered and made, the several purposes of such assessments, the amount received thereunder, and a detailed account of the application thereof: such statements and accounts shall be made up to the thirtieth day of November preceding such publication, and be signed by the Mayor and City Auditor.

53. All Boards, Commissioners and Officers appointed by the City Council, and entrusted with the collection or expenditure of any moneys belonging to the Corporation, shall be accountable therefor to the City Council, in such manner as may be directed by the bye laws and ordinances of the City Council; and the books of account of the Corporation, shewing the amounts, particulars, and state, and also the receipt and expenditure of the property, funds, taxes, and effects belonging and accruing or payable to the said Corporation or any of its officers, shall be deposited and kept in the office of the City Clerk, and shall be open to the inspection of every elector of the City, during the usual office hours, on payment of one shilling for every such inspection.

54. The City Council, in addition to the general powers of making bye laws for the good government of the City, and the other powers incident thereto specially confirmed by this Act, shall have the sole power and authority, from time to time, to make, ordain, enact, revise, and alter and amend such laws as they may deem proper for the several purposes following, within the City, that is to say:—

1st. For regulating weights and measures in the public markets, and all other places within the City, according to the lawful standard, and to authorize the seizure and destruction of such as are not according to such standard:

2nd. To establish and regulate markets and fairs, and to grant licences to Butchers:

3rd. To regulate the manner of selling, weighing and measuring meat, fish, poultry, vegetables, fruit, grain, hay, straw, and fodder, and to grant licences for the due weighing and admeasurement thereof:
