(Signed) GORDON DRUMMOND, Administrator in Chief.

The Administrator in Chief acquaints the Legislative Council, that representations having been made to him of distresses prevailing to a very great degree in the Country Parishes, from the failure of the last Harvest, he directed the most accurate enquiry to be instituted in order to ascertain the fact.

The result of this investigation, contained in the accompanying document, the Administrator in Chief directed to be laid before the Legislative Council, recommending to them, should the subject be brought before their consideration, to concur in making provision for affording such relief as the case may appear to them to require.
