About three or four weeks ago I had an attack of Itching Piles. I tried two or three different remedies recommended by druggists as "the best and only cure," etc., but got no relief. About the time I was beginning to despair of finding any relief, with some slight misgivings I bought a box of your pile cure which I am pleased to say gave me almost instant relief and permanent cure. I consider your Ointment a God send. ALF. J. DEAN.

About half of Walkerton Arab colony left on Monday for Hamilton.

The Rev. Father Ferguson, brother of Mr. Joseph Ferguson, Brant, left on Monday for California, for the good of his health. He will probably remain there a year. He has been for some years a teacher in Assumption College Sandwich.

The 15 year-old daughter of Mr. Harry Wetlauffer of Walkerton, met with an accident the other day while fooling with a loaded revolver. The bullet went through her hand, and lodged in sideboard on the other side of the room.

The improvements to the Roman Catholic church, Walkerton, which have been going on very slowly this summer, are being pushed ahead lately with considerable energy. It is not expected that the dedication will take place much before Christmas.

At the request of several leading banks, the Post-office department has decided to issue letter cards of the denomination of 2c. The banks state that they will be able to use several thousand of such cards in a year, as they will be of great advantage to them for sending out notices to customers in preference to ordinary letters. The department has also decided to issue a one cent letter card for use in towns where there is no delivery by carrier.

On Saturday afternoon Constable Heffernan, Walkerton, walked into the magistrate's office, bringing with him a handcuffed prisoner named Frank Murphy. Murphy is charged with robbing the Arab near Formosa, on the 12th of September. He was captured near Peterborough, lodged in jail there, and held till Heffernan's arrival. He is a pretty tough looking customer, but is by no means lacking in intelligence. He was remanded to Saturday next, when he will receive a preliminary trial. Two of his chums who were captured about the same time, have since been sentenced at Coburg, one getting nine months in the Central Prison and the other three months in jail.
