VOTE FOR FRASER

Down with corruption and bought votes.
Put your cross for Fraser and good government.

Vote early, you may be called away before night.
I guess that Pain Court meeting opened the Grit eyes.

Vote for Fraser and help Whitney in his purity of purpose.

Make it a point to watch every Grit heeler if he attempts to bribe.

It looks as though Duncan would Bole G. W. Ross out this time.

J. P. Whitney expects every man to do his duty to-morrow.

Wanted, 1000 good strong voices to help us yell on Thursday night.

Your vote will help cripple the party whose local head is a booze vendor.

Hustle out the vote and put Fraser and Davidson at the head of the polls.

We're all blue ribboners, but we're not prohibitionists of the Ross stamp.

Vote early and the party won't need to waste valuable time looking you up.

The Conservatives are all practising for the shouting on the evening of the 29th.

It's time for a change. They used to celebrate the 24th of May in Chatham years ago. They don't now and residents go away to spend their money.

How They Expected to Win :

Judge—What's your occupation?
Prisoner, (arrested for perjury)—I am a mouler.
Judge—How did you get in this box?
Prisoner—I was brought here by "the machine" to "cast" votes.

ey. Of course, I blame the Grits for this.

Dethrone from power the man who tried to bribe John S. Fraser with an office.

I'm sorry to see it proved so clearly that prohibitionist Ross has taken to the Bole.

That Crown Attorneyship was a tempting bait, but honest John Fraser spurned it.

You can do a lot to stop bribery if you only keep your eyes open on election day.

"Billed up Ontario"—that's what the Grits have done and that is why there is no surplus.

They are hard crossed when they try to bribe the Conservative candidate out of the field.

Just watch how the Grits are betting, and then discount their talk of victory by about 200 per cent.

J. P. Whitney is a fine specimen of Canadian manhood. Won't he show up great at the coronation?

T. L. Pardo and John Lee are all very well personally; but they are Ross men, and Ross is Bole's man.

We all have our crosses to bear, but on Thursday the more crosses some men get the better they will like it.

It will take a lot of reforming to purify Ontario politics, but a vote for Fraser will help construct that refinery.

Owing to the dearth of war news, the Binder Twine Co. have kindly decided to furnish material for stories of scraps.

Pardo will be able to send his regrets to the next parliament. They will be brief—"Sorry, but I can't be with you."

I hear John Lee is complaining that he didn't get a good start in his race with Davidson, and John, and he wants to start all over again.

One more day of hard work will make doubly sure four years of Liberal-Conservative rejoicing. Pretty good return for the effort, isn't it?

In the Police Court prosecutions the Conservative leaders have shown that they are determined to have pure politics.

Few people can understand the feelings of the pugilist as he is being counted out. He hears the seconds ticked off. He struggles to rise, but struggles in vain. He has lost the fight.

There are some who are making a losing fight for life that can appreciate this: those whose lungs are diseased. With every tick of the watch, they know that they are being counted out.

The great question is how can a quick rally be made to continue the fight against disease? Many who have asked that question have found a satisfactory answer in the use of Dr. Pierce's Golden Medical Discovery. It cures bronchitis, obstinate, deep-seated coughs, hemorrhage, night-sweats, emaciation, and other conditions which if neglected or unskillfully treated may find a fatal termination in consumption.

"When I commenced taking Dr. Pierce's Golden Medical Discovery," writes Mr. John T. Reed of Jefferson, Jefferson Co., Ark. "I was very low with a cough and would at times spit up blood. I was not able to do any work at all. I was weak and my head was dizzy. The first bottle I took did me so much good that I had faith in it and continued until I had taken twelve bottles. Now I do not look like one who felt like the same man as I was a year ago. People were astonished and said they did not think I could live. I can thankfully say that I am entirely cured of a disease from which had it not been for your wonderful 'Discovery' I would have died."

There are cures behind every claim made for the "Discovery," which no "just as good" medicine can show. Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the sluggish liver.
