TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried "FRUIT-A-TIVES"

DAME PETER LAMARRE

Pointe St. Pierre, P. Q.
"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good. Then, I used one box of 'Sootha-Salva' and two boxes of 'Fruit-a-tives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvellous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Sootha-Salva' and 'Fruit-a-tives.' 'Fruit-a-tives' cooled the blood and removed the cause of the disease, and 'Sootha-Salva' completed the cure."

Mrs. Leland Bates returned from spending the winter months with her parents who reside in Kentucky, on Friday evening's train. There was a joyful meeting at the station when her lone-some spouse met the fair lady upon her return.

Mr. Alfred Salway, our popular barber, has purchased Lot 7, Blk 7, Cardston 2247G, and will thus become a land owner in the Town of Cardston. It is a most laudable ambition for every man of a family to own his home and we are very glad to see our friends thus located.

Mr. Niels Nelson, of Kimball has disposed of the quarter section formerly owned by his son Matthew, south of Woolford, to Mr. Alfred Bauer, at \$30.00 per acre. This is a fine quarter and has 185 acres summer-fallowed. Mr. Bauer is expecting his sister and family to locate on this land. He has leased his own farm at Leavitt for this year to Mr. H. E. Williams.

Mr. Raemussen, who is now in charge of the Town Pound, has been a very busy man this week, as beginning on Monday, all animals are liable to be placed in "durance vile" if left upon the streets. The charges will be 75c per head hereafter for any animals impounded, so that the owners will doubtless be more careful than in former times. Mayor Spencer and Council are hoping that the citizens, and especially those who have been advocating better conditions before planting more trees and shrubs, will be fully satisfied this season with the enforcement of the law as to animals roaming at large.

Mr. E. V. Lingard came into Cardston on Monday last and is shaking hands with his many friends here. He has spent a part of the winter in the States, but is now located in Lethbridge. His good lady is also there now having returned from the States also. We are pleased to know they are close by as they were a distinct addition to our progressive citizenship in Cardston.

Talking about discounts for cash why we need the money as much as anybody and can prove it by selling our goods some net, some 2 per cent, 5 per cent, 10 per cent and as much as 15 per cent, and 20 per cent off regular prices for CASH. We have been in business here for the last twenty years, and would always make a BETTER price for cash, and you get your rebate at time of purchase too, whether it is \$1.00 or \$100.00. We appreciate any portion of your patronage, and we sell good hard ware and machinery.—Cardston Implement Co. Ltd.

When you buy a diamond you exercise care in selecting one of high quality and value, because even diamonds have flaws and blemishes. Education is more valuable than diamonds. Use the same judgment in buying a Business College course as you would in buying a diamond.
