## SPORTING EVENTS.

Jay-Eye-See and Maud S. do Wonderful Trotting.

Ross proves unable to hold his own with Teemer.

At about 3 o' clock the little black Jay-Eye-See came on the track amid the plaudits of the assembled thousands. He was sent a warming up mile in 2:221. Meanwhile the pool was selling \$20 to \$11, that he wouldn't beat his record of 2:103 Then Maxey Cobb went a slow mile in 2:34. They were followed by Phallas and H. B. Winship, who jogged Toronto: the Lachine crew who were second around the track together, but had a friendly brush down the homestretch in which Phallas
got the best of it. The time was 2:37½. Then
the bell rang, and it was announced that JayEye-See would a mile to beat his record of

Columbia river before the winter sets in, but experts say they will have a "hard one," as the title of a collection of poems by Mr.

Barry Straton. It is neatly printed by Messrs.

Corey's tunnel caved in the world near the indication of the world near the country of his birth, and world near the morehy of the world near the world near the world near the country of his birth, and world near the morehy of the world near the world near the country of his bir brush down the homestretch in which Phallas pose of urging the trotter.

Golden was at his best, and handled the horse beautifully. The runner got right down to business, and the horse kept up. The quarter was reached at a 2:01 gait, the half at 2:01½, and the three-quarters in last a could be crowded into a line through New Brunswick and a part for the line across Maine; that is to say it would be paid to a company building a road in Canada and undertaking to make a direct connexion across Maine.

The quarter was reached at a 2:01 gait, the last is worth all the amorous complainings that could be crowded into a line through New Brunswick and a part for the line across Maine; that is to say it would be paid to a company building a road in Canada and undertaking to make a direct connexion across Maine. shout went up, for he had circled the write so glibly.

Phallas made two trials to beat his record, but was not feeling in the best trim and only equalled his time of 2:131 made at Chicago

At Cleveland, Ohio, on Saturday last Vanderbilt's Mare "Maud S." trotted a mile without a skip, without urging and without a running mate, in 2:093.

Wallace Ross beaten by Teemer. The four mile race between Ross and Teemer for \$1,000 a side and half of two-thirds of the gate money, was rowed off Oak Point on Saturday evening. About 7 o'clock the men were started, Teemer going to the front immediately. He then slowed down a little mile was half a length ahead. By hard work Teemer again took the lead and at the a length and rowing 30 strokes to the minute, while Ross was rowing a little faster stroke. A quarter of a mile further on Teemer led by a length, and then began the great struggle for the honor of first that Wallace had been doing began to tell and he seeemed a little weak, for he rowed two lengths outside of his turning stake. Teemer made an excellent turn, and when he squared away for home had three lengths to good. Ross was advised to get inside, but he did not heed the advice and, consequently, lost two lengths. Quarter of a eldest of which is nine years of age. mile from the turn Teemer "caught a crab" and unshipped his right hand oar. Ross had got to within a length and three-quarters of him and the race once more assumed an interesting aspect. Wallace worked hard to close the lead but it was evident that he was tired. From the last quarter of the third mile until the end of the race a more determined struggle was never witnessed. Slowly but surely Wallace closed up the gap, and at three miles and a half he was only half a length of open water behind. ed in difficulty.—Transcript.
