The principle of combining the assessment plan with a Safety Fund is rapidly superseding all other systems and is being endorsed by the leading authorities on life insurance.

The contract is at once simple, safe and inexpensive, and the protection of life insurance is offered on a plan as fair and just as a contract for fire insurance, while large accumulations in the hands of the Company are rendered unnecessary and a member never has at risk more than the actual cost of one assessment.

The interest from the Safety Fund is applied to the reduction of dues and assessments while the Fund itself guarantees a long term endowment to persisting members without extra cost and affords full protection to the last man. Expenses of Management limited.

EXPERIENCE, CASH, FACT & PRINCIPLE make and control prices. We have had the keenest regard for the requirements of town and country when selecting this large importation. Choice fine fabrics to suit the most fastidious taste of the rich and affluent are among our stock. At the same time we bring GOOD, SOUND, DURABLE and CHEAP GOODS to the doors of the people of more limited means. The discerning Public have already recognized our ENORMOUSLY LOW PRICES by their kind patronage, while competitors stand aghast at the large parcels daily leaving our store. Tradesmen, Millmen and Labourers find the sound quality of our clothing and our LOW PRICES a boon when they remember the high prices they were compelled to pay before we established our ONE PRICE SYSTEM CASH STORE.

Wholesale Customers, Store Keepers and Lumbering Merchants will find better advantages than Montreal or St. John. We defy the closest competition with regard to either quality or price of our Merchandise.
