OUR SOUVENIR.

The following letters have been received which speak for themselves.

Boston, Mass., July 10th, 1902.

Gentlemen:—
I received the Souvenir Edition of the Union Advocate, for which please accept my sincere thanks. Allow me to congratulate you on producing in your Souvenir the best publication of its kind ever issued from that part of the country, not alone in typographical appearance but in the many interesting articles it contains of interest to sportsmen. Being familiar with the scenes and places described therein, the edition recalls to my mind many reminiscences of the land of my birth. The Miramichi in my opinion is the greatest hunting and fishing country in the world, and I have yet to find a sportsman who has visited it who was not enthusiastic over the splendid opportunities it affords for both large and small game. There is one thing lacking, however, and that is that the Miramichi is not advertised as extensively as it should be, and your Souvenir Edition of the Union Advocate is a step in the right direction. When you take into consideration the thousands of dollars spent by sportsmen who visit Maine each year, there is no reason why the Miramichi with its waters teeming with fish, and its forests abounding in game, should not be made an attractive point for the sportsman and receive a fair share of the money spent for those recreations.

Your enterprise in producing such an edition of your paper is commendable, and I was glad to see that its advertising columns were well patronized by the progressive merchants of the place. They believe in "printer's ink" and will be compensated tenfold for their outlay, by turning the Miramichi into a popular resort for the sportsman.

Yours sincerely,
M. T. MONAHAN,

SALISBURY RESIGNS.

Britain's Veteran Premier Surrenders Seats of Office

LONDON, July 13.—The Marquis of Salisbury has resigned the premiership of Great Britain, and Right Hon. A. J. Balfour, the first lord of the treasury and government leader in the house of commons, has been appointed to succeed him.

The Marquis of Salisbury tendered his resignation at an audience which he has with King Edward last Friday.

Yesterday Mr. Balfour visited the King and accepted the premiership.

LONDON, July 13.—The fact of the resignation of the premiership of Great Britain by Lord Salisbury, as foreshadowed in the despatches of the Associated Press, was officially given out this evening. The prime minister laid down the responsibility of his resignation on July 11 and received the commendation of his sovereign.

Within 24 hours His Majesty elevated A. J. Balfour, the government's chief representative in the house of commons, to the position of premier.

About the only surprise expressed as the news spread through London, concerned the date rather than the fact of the resignation. The real interest was not so much in reference to Lord Salisbury's withdrawal as it was in the appointment of his successor.

The liveliest speculation is rife as to the personnel of the new cabinet. The most discussed feature is the position of Mr. Chamberlain, the colonial secretary.

A representative of the Associated Press learns that prior to the acceptance of his new office, Mr. Balfour first had an interview with Mr. Chamberlain and then consulted with his other cabinet associates. This is regarded as assurance that the future relative positions of Messrs. Balfour and Chamberlain will be satisfactory to both.

As to Lord Salisbury's withdrawal, the main reason is considered by practically all the best informed persons to have been simply a desire for a quiet life on the part of a man advanced in years.

The close of the war in South Africa and the return of the commanding general there is considered to be an appropriate time for his withdrawal.

WASHINGTON, July 13.—The appointment of Mr. Balfour to the English premiership will not result in any change in the existing relations between Great Britain and the United States. This is the opinion of state board department officials, who express the opinion that Mr. Balfour will be as much disposed as was his predecessor, Lord Salisbury, to continue the friendly relations between the two countries.

LONDON, July 13.—Although Lord Salisbury's resignation does not necessarily involve the reconstruction of the cabinet, it is believed the occasion will be taken to make some changes.

The Times states that Lord Salisbury's resignation was not caused by any political differences with his colleagues in the cabinet.

LONDON, July 13.—Lord Salisbury visited Lord Salisbury at Hatfield House today.

C. M. B. A. FUNERAL.

Mr. Thos. Leahy, a respected resident of Chatham, and a member of the C. M. B. A. died at his home last Friday.

The funeral on Sunday afternoon was the largest in Chatham for some time. The members of the Chatham branch of the C. M. B. A. assisted by Loggieville and N. B. A. branches numbered, about one hundred and thirty strong, with St. Michael's band. The body was interred in the R. C. cemetery. Father Joyner conducted the services.

Blood.

We live by our blood, and on it we thrive or starve, as our blood is rich or poor.

There is nothing else to live on or by.

When strength is full and spirits high, we are being refreshed, bone muscle and brain, in body and mind, with continual flow of rich blood.

This is health.

When weak in low spirits, no cheer, no spring, when rest is not rest and sleep is not sleep, we are starved; our blood is poor; there is little nutriment in it.

Back of the blood, is food, to keep the blood rich. When it fails, take Scott's Emulsion of Cod Liver Oil. It sets the whole body going again—man woman and child.

If you have not tried it, send for free sample, its superiority will be yours.

SCOTT'S EMULSION, CHICAGO, ILL.
50c and \$1.00, all druggists.

Your Hair

"Two years ago my hair was falling out badly. I purchased a bottle of Ayer's Hair Vigor, and soon my hair stopped coming out."

Miss Minnie Hoover, Paris, Ill.

Perhaps your mother had thin hair, but that is no reason why you must go through life with half-starved hair. If you want long, thick hair, feed it with Ayer's Hair Vigor, and make it rich, dark, and heavy.

\$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

All my furniture was purchased before the advance made in the factories a month ago, and customers may rely on getting advantage of this, fully 10 per cent. Don't forget bargain days every Monday and Wednesday.

LAST week we called attention to this space. We hinted that we had something special to talk about this week, something which would be of interest to the shopping public. Fact is we are stuck, badly stuck (this is just in confidence you know) on summer wash goods. Don't think we bought too many. The patterns are beautiful. The prices were all right, but the weather went back on us. Season didn't start right. Now what are we to do? Won't you come to our relief?

Will These Prices Help?

MER LAWS

Light and dark shades, beautiful goods with the appearance of silk at half the price. good value at 25c., now 17c.

DIMITY MUSLINS, neat patterns, 27c, now 19c.
PRINTED ORGANDY MUSLINS, neat patterns, 27c, now 19c.
ZEPHYR GINGHAMS, worth 12c to 17c, now 10c and 12c.
PLAIN VICTORIA LAWN, worth 18c, now 13c.
and others of equal value.

One thing is certain of the above. Such mean prices seldom if ever locked arms with such fine materials.

BLACK DRESS GOODS

Is good stock, never goes out of style. There is an old saying "When in doubt always wear black." There should not be any good reason for cutting the prices of black goods. Nevertheless we have several pieces of figured lustrous priced at 44c and 46c. For this Sale 35cts.

We had a good trade in Boys' Suits this season especially the larger and very small sizes. The medium sized boys from 7 to 10 seems to have been neglected, or we bought too many of these sizes. For this week only we offer suits, sizes 25 to 28 at 20 per cent. discount. Let us see what this means.

A \$2.00 suit would be \$1.60.
A \$4.50 suit would be \$3.60.
A \$3.00 suit would be \$2.40.
Want any at these PRICES?

Ladies' black sailor hats, the kind that usually sell at 25c. We had them marked 22c. Now we make the price 10c. each.

Men's linen collars, English make, four ply, 2, 2½ and 2¾ inches, 3 for 25c.
Men's hand sewn English made Braes, priced at 50c, now 29c.
Men's black and colored socks, 3 pairs for 25c.
Men's extra quality cotton socks, cashmere feet, the kind called "Kool feet," 25c per pair.
Men's black cashmere socks, 25c per pair.
Men's cashmere bicycle hose worth 60c to 75c, now all one price, 49c. Boys' bicycle hose worth 50c and 60c, now 39c per pair.

LADIES' WHITEWEAR.

Corset covers and skirts are about the only garments we have left now. In these two lines we have some very dainty garments. In skirts the prices range from 50c. to \$2.00. In corset covers, 12½c to 75c. We offer now 10 per cent. discount off all whitewear.

All Wool Challies

Neat dark patterns, combining light weight with elegance of material, good value at 43c, now 35c. Light wool challies, satin stripe. Elegance doesn't half express the term to be used in describing these goods. They were priced at 50c. It hurts like everything to cut the price, but here it goes, down to 35c.
