For Strenuous Life

it is necessary to have your system in good working order—to have your system in good working order—to have an energy born of perfect health and strength— it is imperative that each organ be kept in free action, and BEECHAM'S PILLS are foremost of the few things that will do it.

For Active Brains

your liver must be right, your stomach in a healthy condition and your kidneys properly performing their peculiar functions, or your body won't stand the strain and your brain won't be active. If you would have a clear head and keen perception, get a box of BEECHAM'S PILLS, use them and see how much more alive you will be
