PICNIC AT ELGIN ON MONDAY.

Rev. F. M. Lockary is holding a picnic at Elgin on Monday next, Labor Day.

There will be train connections at Petticoat on the Elgin and Havelock railway with trains morning and evening going and returning from St. John.

CHARLOTTE COUNTY.

Announcement of the death of Miss May Lockary, St. Stephen, which occurred during Friday night, Aug. 23rd, was heard with deep regret, for she was a young lady of excellent character and happy, pleasing personality. Her demise followed a brief illness of peritonitis.

The funeral service was held at the Church of the Holy Rosary Tuesday morning and was largely attended. Mass was said by her brother, Rev. Father Lockary, who was assisted by Rev. Father Horan of Calais and Rev. Father McLaughlin of Milltown, the latter preaching an able and impressive sermon. Six brothers of the deceased were the pall bearers. To the sorrowing parents, brothers and sisters sincere sympathy is extended.

FREDERICTON EXHIBITION OF
FERS \$15,000 IN PREMIUMS.

Good Programme Has Been Prepared.

The Fredericton Exhibition advertisement makes its first appearance in the advertising columns to-day. The large amount of money (\$15,000) that is offered in premiums should bring together the greatest number of exhibits ever shown in this section. Fredericton has always put up a gilt-edge fair, and from appearances this year's will surpass them all. With increased facilities and large additions to their grounds the management seem to be keeping pace with the times.

Starting in 1888 with one small building costing about \$400 and running a small County Cattle Show, offering a premium list of about \$500 and to-day with a plant valued at nearly \$25,000 and offering prizes of \$15,000 places the Fredericton Exhibition among the big fairs of Canada, and certainly points to good management on the part of the Association in the last nineteen years.

The programme for this year is a good one. Persons interested in agricultural pursuits can feast their eyes on the best products of the soil of the Maritime Provinces and view the fine horses and pure-bred cattle, sheep and swine that the provinces by-the-sea are noted for. The poultry and pet stock lover will have much to attract his attention, and the ladies' department, arts, domestic and fancy work, promises a magnificent display of all that delights the feminine heart.

The management have not forgotten the amusement end and offers unusual special attractions costing thousands of dollars, which have never before appeared east of New York city.

Special excursions and low rates are offered by all transportation lines, and realizing that the "Celestial City" will be invaded by vast crowds of visitors during the week, September 14-21, the Exhibition directors have opened a lodging and information bureau in charge of competent persons, who will attend to the wants of all who are unable to find accommodations at the hotels. The management assure us that there is room and accommodation for all; everybody will be looked after and nobody neglected.

PRESENTED WITH GOLD
WATCH AND CHAIN.

Rev. J. E. McDermott, Formerly of St. John, Handsomely Remembered.

(Mobile, Alabama, paper)

Rev. Father Joseph E. McDermott, assistant pastor of St. Vincent's Catholic church, was given a great surprise Friday night by a number of friends when they presented him with an elegant gold watch and chain. The popular priest since his arrival in Mobile has made friends irrespective of creed and the handsome gift shows the esteem in which he is held.

A committee consisting of Messrs. Peter Calametti, John Calametti, Jr., Charles Fuller, M. A. Lawless and Dr. H. Maciass visited the pastoral residence of St. Vincent's on Lawrence, near Palmetto street, about 8 o'clock Friday night and were ushered into the parlor. The reverend father was sent for and after holding some minutes of social intercourse with him Dr. Maciass arose and directing his looks towards the priest said:

"Doubtless you will be surprised at us having called this evening, but a glance at our pockets will show you that we are not possessed of any weapons and the pleasant smiles on our faces will show you we are not members of any rogue's gallery. On the contrary we have one object and that is to present you with a watch, and in presenting it we do so from two standpoints:

First—Is our admiration for you as a man, a scholar and a priest.

Second—That the watch is intended to take the place of the one you now wear.

Third—At a glance at the list of the subscribers you will see the loyal spirit in which it was given."

The genial priest was completely taken by surprise and it was some minutes before he was able to answer the speaker, and when he did it was with considerable feeling. Father McDermott told the committee that he was indeed grateful to them and his friends and that the occasion would be one that would always be remembered by him.

The watch and chain is a handsome affair and contains the name of the recipient on it.

DEATHS AND BURIALS

The death of Mrs. James McPartland of Houlton, Me., took place on Tuesday at the home of her mother, Mrs. Ann Coady, 42 St. James street. Mrs. McPartland had been ill for some time and her death was not unexpected. She and her husband formerly belonged to St. John, but removed some years ago to Houlton, where she has a large circle of friends who will regret to hear of her death. She leaves her husband and four children—Walter, Frank, Edward and Florence. Her mother, three brothers and two sisters also survive. The brothers are Walter of Boston, John of Brunswick, Me., and M. J. Coady, the Charlotte street shoe merchant. Mrs. John J. Connors and Miss Anna Coady are the sisters. The funeral was held on Thursday afternoon at 2.30 o'clock from her mother's residence, 42 St. James street, to the Church of St. John the Baptist. Very Rev. W. F. Chapman, V. G., officiated at the service, and interment was made in the new Catholic cemetery.

Mrs. Margaret Hanlon, widow of the late John Hanlon, Woodstock, died on Saturday, Aug. 24th, at 10.30 a. m., with heart trouble, aged 63 years. She leaves four daughters and two sons; Misses Mary and Sarah of Holyoke, Mass., Eliza and Mrs. Wilson, of New York, and John in Boston and James at home.

MASS FOR THE SCHOOL CHILDREN.

At St. Peter's church, on Monday morning at 8 o'clock, a solemn High Mass was offered up for the school children of the parish, that God may bless them in their studies and that they may be permitted a successful year. Very Rev. A. Duke, C. S. S. R., was the celebrant and Rev. Jos. Borgmann, C. S. S. R., deacon, and Rev. Edward Scully, C. S. S. R. sub deacon. A large congregation assisted, including all the school children.

ST. JOSEPH'S UNIVERSITY.

Although not officially announced it is understood that Rev. H. Varier, C. S. C., who has been prefect of discipline at St. Joseph's college since the fall of 1901, will be succeeded this year by Rev. Father Poser, C. S. C., of Quebec. Father Varier will become a professor on the University staff. Father Borgeois, C. S. C., who has been teaching in the college, will go to one of the other colleges owned by the order. Rev. Dr. L. Guertin, C. S. C. will again occupy the presidential chair, while Rev. Dr. Testiers has been re-elected vice-president. Rev. L. V. Bronghall, C. S. C., has been appointed prefect of English studies and Rev. Fr. Mondu prefect of French studies. Father FitzHenry, C. S. C., will be a professor in the University.—Wednesday's Globe.

A DREADFUL CATASTROPHE.

(Special to The Telegraph.)

QUEBEC, Aug. 29.—The great Quebec bridge collapsed this afternoon, and now the vast mass of steel work lies a tangled wreck across the St. Lawrence channel, while so far as can be estimated 84 men have lost their lives in the disaster.

The bridge fell exactly at twenty-three minutes to six this evening, just as many of the workmen were preparing to leave. It was, however, so horribly effective in wiping out the lives of the men employed on it that very little is known as to how it happened, and those who are left are so completely benumbed by the horror of the situation that they can do little to aid the situation.

It was the southern extension of the bridge which collapsed and this was rapidly nearing the zenith of the immense steel arch which was to span the river. For 800 feet from the shore the massive steel structure reared an arch, with no support but the piers from the shore and one pier erected in the river about 200 hundred feet from the shore, while the outward extremity was 180 feet above the water.

A GRADUATE NURSE.

Miss Edith Ramsey, daughter of Mr. Chas. H. Ramsey, Moore street, has returned home from St. John's Hospital, Lowell, Mass. where she has completed her studies as nurse.

CONFIRMATION SERVICE.

A Confirmation Service was held in the church of "Our Lady of Snows" on Sunday morning last at which some thirty persons were confirmed. Bishop Barry conducted the service, and his address to the candidates and large congregation present was most interesting and instructive.—Tribune, Campbellton.

THE NEW MINISTERS.

(Special to the Sun.)

Ottawa, Aug. 29.—At noon tomorrow Hon. William Pugsley will be sworn in as a member of the Dominion government in succession to Hon. H. R. Emmerson and will take the portfolio of Public Works.

Hon. Geo. Graham of Brockville will take the oath of office as a minister and will take over the portfolio of Railways and Canals.

These are two of the largest spending departments of the government, the Public Works being regarded as the larger and more important of the two.

In assuming it Hon. Mr. Pugsley will have under his jurisdiction among other things the control of the dredging in St. John Harbor and at other points in the Maritime Provinces.

It is felt at Ottawa that two great departments are being assigned to two strong and capable men, who will administer them without fear or favor in the best public interest.
