TO THE EDITOR OF HASZARD'S GAZETTE:

Sir,  
While I heartily concur in the vote of thanks  
which appeared in the *Examiner* of Monday last,  
to the Lady and Gentlemen Amateurs who so  
kindly and disinterestedly came forward and  
gave the late Concert in aid of the Patriotic  
Fund, permit me also to mention the Audience,  
who so promptly and liberally responded to the  
appeal made by the Committee of management  
on behalf of the Widows and Orphans of the  
brave men who have fallen in the cause of  
liberty. I cannot allow the present opportunity  
to pass, without giving my humble testimony in  
praise of J. T. Pidwell, Esq., to whose patriot-  
ism, energy, and perseverance, we are, in a  
great measure, indebted, for the late Concert.  
That Gentleman neither spared time nor money,  
in order to accomplish the benevolent object he  
had in view; and, in the face of many difficulties,  
which always occur in getting up a Musical  
Entertainment in small communities, he had to  
contend with a selfish opposition, which met  
him at every step he took. Yet, by a continued  
perseverance, which few men are possessed of,  
the difficulties vanished like mist before a noon-  
day sun; and I am happy to say, his labor was  
crowned with complete success.

Sir, in offering the above remarks, I have no  
desire to flatter, but simply to give credit to  
whom credit is due.

I am yours, &c.

JUSTITIA.

TO THE EDITOR OF HASZARD'S GAZETTE.

Mr. Editor,—  
Observing by the discussions of the House of  
Assembly, that a Bill is likely to pass for Taxing the  
Rent Roll of all Landed Proprietors, both resident and  
absent, a measure which in its present bearing can-  
not fail of being very obnoxious to all who are Land-  
holders to any extent in this Island. A mode there-  
fore by which such an enactment may be rendered  
not only the reverse, but highly beneficial to both  
Landlord and Tenant, and at the same time extend  
the patronage of Government by placing new offices  
at their disposal, cannot fail to be highly acceptable.  
What I would recommend is that the Government  
call upon all proprietors or their agents to hand over  
to them the Rent Roll of whatever Lands they may  
have under Lease, and thirty days from the time  
these Rents become due that the Government pay to  
each Landlord or Agent, the amount of his Rent  
Roll after deducting therefrom the sum recognized to  
meet the Tax, and also retaining a liberal sum for  
collecting. By this arrangement, the Proprietors and  
their Agents would be relieved from much trouble,  
as well as the obsequy which attends their exacting  
their Rents; as regards benefiting the Tenants them-  
selves, it could not fail procuring a happy effect, as it  
would arouse them to habits of greater industry and  
economy, in order that they may be prepared when  
pay day arrives to meet the demands of Government,  
at all times imperative. The amount produced  
from this Tax would no doubt, add a consider-  
able sum to our Revenue, besides providing for a  
number of worthy individuals.

Yours,

TRUTH.

We have omitted such parts of the above as  
would seem to weaken the effect of the suggestion.  
Truth need not be told at all times.—Ed. Has. Gaz

#### BIBLE SOCIETY.

The Annual Meeting of the Bible and Mis-  
sionary Society, of the Presbyterian Congrega-  
tion, of Princetown, was held in the Church,  
on the 13th of March. The Rev. R. S. Patter-  
son, of Beedeque, preached from Matt. ix. 37.  
38. "The harvest truly is plenteous, but the  
labourers are few: pray ye, therefore, the Lord  
of the harvest, that he will send forth labourers  
into His harvest." After the Sermon, the Pres-  
ident of the Society took the Chair, and the  
Report having been read, and the Treasurer's  
account exhibited, it appeared that the income  
for the year was £50, which was appropriated  
as follows:—

Foreign Mission	£27 0 0
British and Foreign Bible Society	10 0 0
Society for promoting Christianity among the Jews	5 0 0
Seminary of the Presbyterian Church of Nova Scotia	5 0 0
Domestic Missionary Society	3 0 0

with whatever subscriptions may yet be paid to  
the Treasurer.

It was also stated, in the Report, that there  
had been remitted from the congregation dur-  
ing the past year, for the Foreign Mission, the  
following sums:

From the Female Society, for Printing Press	£3 18 0
From the Sabbath School Children	3 7 0
From Female Society in addition to the above	1 0 0

And also a large Box of clothing and other  
articles for the use of the Mission.

#### THE ROSICRUCIAN DIVISION.

A Public Meeting of the friends of Temperance  
was held at New Perth, on Monday, the 27th of  
March. There were present many members of the  
Grand Division, from Charlottetown, and George-  
town, who were robed in the rich Regalia of the Order.  
On motion of J. T. Pidwell, Esq., Grand Worthy

Patriarch, the Rev. John Knox was invited to  
occupy the Chair. After prayer and praise, the  
Rev. Chairman briefly stated the object of the meet-  
ing, and called upon Mr. Trowan to address the  
assembly. Mr. T. who is a firm friend and zealous  
advocate of this great Reform, expounded its princi-  
ples in a neat and interesting speech, and met many  
objections generally urged against the order of the  
Sons. Br. George Milner followed in a long and  
powerful address full of rich anecdotes and happy  
illustration, and delivered with his usual earnestness  
and force. The Grand Worthy Patriarch, in a clear,  
logical and able speech exhibited the necessity and  
propriety of a prohibitory law as the only effectual  
remedy for the monstrous vice of intemperance, and  
presented the order of the Sons, as the most perfect  
organization in existence, for extending the triumphs  
of Temperance principles, admirably adapted to  
secure mental cultivation and promote moral elevation  
and social improvement of our race.

The building was densely crowded and the atten-  
tion and interest were unabated to the close.

The Rosicrucian Division was then formed, which  
consists of Thirty-one Sons who were all initiated on  
that evening into this noble order.

The following Officers were then chosen.

Rev. John Knox, W. Patriarch, Charles Stewart,  
Esq. W. Associate, John McNeil, R. Scribe, James  
McVean, A. R. S. James Finlay, Conductor, Charles  
Alley, A. C. John Hamilton, F. Scribe John McMil-  
lan, Treasurer, Peter Campbell, Chaplain, James  
McLaren, Esq. P. W. P., Peter Robertson, J. T.  
Daniel Gordon, O. S.

After a vote of thanks to the friends from Charlottetown  
and Georgetown, they separated at a late hour,  
highly delighted with the proceedings of the evening.  
New Perth, March 30th, 1855.

MECHANICS' INSTITUTE.—Last evening, accord-  
ing to announcement, the Rev. Mr. Snodgrass  
delivered a Lecture upon "Habit." He treated  
this important branch of moral Philosophy, in a  
popular and interesting point of view; and  
discussed the difference between Custom and  
Habit, with true logical clearness. He showed  
that Custom was a frequent repetition of the  
same act, and that Habit, was the impression,  
that Custom made upon the mind. He admitted  
that the subject in itself was perplexing;  
but as Habit, became second nature, he pointed  
out the necessity of so moulding the minds and  
manners of the young, as to produce good im-  
pressions, so that these should remain in after  
years, and thus enable the man to become  
useful in his day and generation.

The Lecture was highly appreciated, and  
called forth a very lengthy and animated dis-  
cussion.

The Hon. Edward Whelan, Vice President,  
will lecture next Tuesday, on "The Literature  
of the 19th Century."

DYSPEPSIA AND INDIGESTION.—These great  
 scourges of our people cannot be too well un-  
derstood, or the means of averting or curing  
them too highly appreciated. The person who  
discovers any means of cure or alleviation, con-  
fers a benefit upon his fellows, and is deserving  
of honor. This desirable consummation has  
been achieved, and not only may dyspepsia be  
cured, but it may be prevented, by the use of  
"Hoodland's German Bitters," prepared by Dr.  
C. M. Jackson, Philadelphia, which medicine is  
spoken of in terms of the highest commendation  
by thousands who have tested its efficacy. It is  
perfectly innocuous in its nature, and possesses  
the valuable property of improving the health  
of the robust, as well as restoring the health of  
the sick. See advertisement.

#### Died.

At St. Eleanor's, on Monday, the 4th instant,  
William Schurman, Esquire, High Sheriff of Prince  
County, in the 64th year of his age. He was highly  
respected and esteemed both in public and private  
life. Mr. S. was a native of the Island, his parents  
were Loyalists from one of the now United States of  
America.

On Saturday, the 7th inst. at his residence in  
Charlottetown, after a lingering illness, Cap-  
tain John William James, aged 67, a native of  
Cumberland, G. B. He sailed over the deep waters  
for upwards of half a century, for forty years of which  
time he had been Master Mariner, and was much es-  
teemed, a respectable and practical Navigator, during  
this long period he never lost a square-rigged vessel  
under his management. He was returned as a Mem-  
ber of Assembly for Georgetown, in the year 1834,  
and often indulged in outbursts of loyalty, deter-  
minedly opposing measures not based, as he conceived,  
on "sound constitutional principles." Until within  
a few days of his demise, he often expressed an  
anxious desire to know the result of the present war,  
and all particulars relative to our suffering heroes in  
the trenches before Sebastopol, with which and the  
seat of war he was acquainted from his having for-  
merly navigated the adjacent seas. His end was  
peace.

#### Birth.

At Binstead, near Charlottetown, on Thursday, the  
29th ult., Mrs. W. W. Irving, Bonshaw of a son.

MELANCHOLY ACCIDENT.—On Friday last,  
William Yonker, son of Mr. William Yonker, went  
fishing on E. Crabbe's Milldam, with some other per-  
sons, when he unfortunately fell in and was drowned.  
In endeavouring to save him, several persons nearly  
lost their lives.

#### NATURE OUTWITTED!!!

Dr. Antrobus's  
Persian Hair Restorative,  
AND HAIR DYE.

Under the immediate Patronage of the Princes of  
Persia and India.

These articles are without doubt the most extraordi-  
nary in their powers ever submitted to the Public,  
and require but to be tried, to be appreciated, ad-  
mired, and continued.

The RESTORATIVE strengthens the hair and  
prevents it falling off after every other means have  
been resorted to unsuccessfully; it cures baldness  
and creates a natural curl, and by its use, myriads of  
persons of both sexes are indebted to having a good  
head of hair at the present moment. Its efficacy is  
therefore undoubted, and the whole world is chal-  
lenged to produce an article to equal it, either for  
beautifying the human hair or preserving it to the  
latest period of life. For the production of Whiskers  
or Moustache, it is infallible.

The qualities of the HAIR DYE are decidedly  
superior to any thing of the kind ever attempted and  
the whole surface of the head can be changed into  
a most natural black or brown, within five minutes  
after using it, so as to defy detection from the great-  
est connoisseur. Advice by post gratis on receipt of  
Postage Stamps.

Copy of a Letter from Dr. Magrath, M. R. C. S.,  
dated Duke Street, Adelphi, London, the 17th  
January, 1854.

To Dr. ANTROBUS,

Sir,—I feel great pleasure in attesting the virtues  
of your Persian Hair Restorative. Several parties  
who have been patients of mine having derived the  
most inconceivable benefit from using it; and in fact  
it is owing to this article alone, that many of them are  
not at the present moment completely bald; one party  
I may mention in particular, who had been laid up  
with typhus fever: (a most beautiful young lady,)  
the attack however left her although as beautiful as  
ever in the face, still with scarcely any hair on her  
head. She tried every thing unsuccessfully, until I  
recommended her to use your Persian Hair Restora-  
tive, and in three months, she again possessed the  
same dark curling locks, as before her illness, although  
if possible, still more jet like, and attractive. I must  
admit, although I have recommended it to hundreds  
of persons of both sexes, I have never found it fail,  
and consider, that where the hair is not past human  
aid, your wonderful preparation will restore it to its  
pristine state.

Your Hair Dye is the best I have ever seen or  
heard of, and has been used among my private ac-  
quaintances, with the most unbounded satisfaction.

I am, Sir, yours most truly,

(Signed) DENNIS MAGRATH.

Letter from Henry Vinson, Court Hair Dresser  
and Wig Maker, of 124, Leadenhall Street,  
London.

To Dr. ANTROBUS,

Sir,—Your Hair Restorative is one of the great-  
est blessings ever invented. Several of my customers  
are quite enraptured with it, and consider it beyond  
all praise. I cannot deny, but that it has appeared to  
me quite wonderful, the alteration it causes after  
using it for a few weeks, it excels any thing of the  
kind I ever used, causing a complete metamorphosis;  
giving the hair a natural curl, and even entirely  
hiding grey locks, setting nature at defiance.

You may depend upon it that it, surpasses any  
thing of the kind ever brought before the public, and  
as to your Hair Dye, I can sell all you can send me,  
it is so unquestionably good.

I am, Sir, yours faithfully,

(Signed) HENRY VINSON.

The Restorative is sold at 1s. 6d., 2s. 6d., and 4s.  
per Bottle Sterling. The Hair Dye 8s. 6d. and 7s.  
per case. The larger sizes are a great saving.

Directions for use accompany each Bottle and Case.

Be particular to ask for Dr. Antrobus's, or  
you may be imposed upon.

Sold by all respectable Chemists and Perfumers  
throughout the world, and at Dr. Antrobus's Es-  
tablishment, 2, Brydges Street, Strand. If any diffi-  
culty arise in obtaining it, send postage stamps to  
Dr. Antrobus's address, and it will be forwarded by  
return of post.
