

Proof that Some Women do Avoid Operations

Mrs. Etta Dorion, of Ogdensburg, Wis., says:

"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation.

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well."

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 6th St., N. E., Canton, Ohio.

Every Sick Woman Should Try

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Before Submitting To An Operation

Come in, soon, and hear the Grafonola play. Pick out the style you like best—then let us show you what our Service means to our customers.

The Lounsbury Co., Ltd

Stock Of Whiskey At New Glasgow

Contraband Goods to the Value of \$5,000 Found in a Car Load of Hay

New Glasgow, Mar. 6—Eighty four cases of Canadian whiskey, one hundred and ninety-one cases of Redmond Irish whiskey, and five packages of other liquor in tanks, was the amount seized by Chief Watters and Inspector Soy in the car which was destroyed by the railway policemen recently.

It took more than two hours to remove the stuff from the car to the jail, where Chief Watters with coat and vest laid aside, worked hard piling to the ceiling in the largest cell at the lockup. During the past several months rumors have been current that much liquor was being brought to New Glasgow where it was partly unloaded. It was then, for some reason, moved to Stellarton where the liquor was taken out and brought back to New Glasgow by team.

Just what proceedings will be taken in regard to this big haul is not known, but it is certain that the prospect of the owners regaining possession of it is quite remote.

The market value of this whiskey must be nearly five thousand dollars, and the man who takes the risk of sending that amount of booze into a prohibitive province is surely some plunger.

Bolshevik Orders Incurable Typhus Cases Be Killed

Stockholm, March 6—Typhoid is raging with increased force in Petrograd, according to advices from that city. In one single hospital eight thousand persons die monthly. In the provinces the mortality is so great that the Bolsheviks have issued a secret order to kill the incurable cases, hoping thus to counteract the contagion which is almost impossible to stop by any means. Hardly any medicine is available.

Britains Biggest Airship Makes Most Satisfactory Trip

London, March 7—Great Britain's biggest airship, the R33, which is 670 feet long, made a trial flight today and covered thirty miles in half an hour on a perfectly even keel. It landed successfully in spite of unfavorable weather.

RELEASED FROM CUSTODY
Mr. H. H. Carvell who was brought here from Chatham by the Military Police, was released from custody under an arrangement made by his counsel, Mr. G. M. McDade, of Newcastle. Mr. Carvell is a former abductor of Chatham, and it is understood that he will be taken against the soldier who made affidavit that he (Carvell) had a deal with liquor. It is claimed the affidavit was made after Mr. Carvell had put the soldier off his legs at a table premises on account of being drunk—Gleaner.

Miss Ella Gray, Teacher.

Lemons Whiten And Beautify The Skin

Make this beauty lotion cheaply for your face, neck and hands

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the pulp through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms, and hands. It is marvelous to smoothen rough, red hands.

When mixing a cake measure the flour after sifting it, then take out a heaping teaspoonful and substitute corn starch. You will then not require so much shortening and your cake will be tender and light. It is especially good in a sponge cake.

Now sold in a new waxed board package — a great improvement over the old lead package

RED ROSE TEA

is good tea

Sold only in sealed packages

Let Nature Clear Your Blood

With pure, rich blood—a healthy stomach—and an active liver—you may laugh at disease, and, you may have all three by taking
