

REID-NEWFOUNDLAND CO.

EVERY DAY finds a use for it, every house has a place for it, no house wired for Electricity is complete without it—

The Westinghouse Electric Toaster-Stove

creates an unrivalled place for itself in the heart of every modern woman.

It relieves her of the necessity of lighting fire in the kitchen stove to prepare the breakfast.

It enables her to prepare dainty luncheons right on the dining table while enjoying the conversation of her company.

Let us demonstrate one for you at your home.

Eggs, ham, bacon, etc., can be fried as well on the Westinghouse Toaster-Stove as on the big kitchen stove, and without the heat, dirt, fumes, etc. It can be used on a side table for keeping things warm while you are at dinner, and the finest toast in the world can be quickly made upon it.

Strongly built, it will last a lifetime; handsomely finished in polished nickel, it makes an attractive addition to any table service.

In fact there are a hundred and one reasons why it is destined to become universally used.

PRICE—\$7.20 each.
