Christmas Parcels

The Christmas rush is great
in normal times. With millions
of men under arms it is a tre-
mendous strain on all Postal
Staffs, and delays are unavoid-
able.

In the Old Country 75 per
cent. of trained Postal Officials
are with the Army, and their
work is being done by untrained
men and women.

For the Home parcels to reach
England before Christmas, the
sooner they are posted the
surer will their timely delivery
be.

To reach our gallant lads in
France, parcels should be de-
spatched as early this month as
possible.

Please pack securely. Do not
use sharp edged boxes. Square
boxes should always have their
edges padded.

Postmaster General.
