Rotary Children's Outing

Although the Rotary outing the kiddles had a most enjoyable time no doubt due to an excellently arranged programme. From start to finish final preparations were made at the weekly luncheon held at 1 p.m. when Rotarian Ayre outlined the arrangements. At 2 p.m. the Rotarians, with their wives, proceeded to the homes of the sick and cripple children, whose names had been secured during the week. At 2.45 p.m. some thirty gaily decorated motor cars containing 120 kiddles assembled at Fort Townsend. After a few minutes occupied in getting ready, a motor drive began. The route selected was along Military Rd. to Cavendish Square to Water Street, where a halt was made near the Band in a lorry joined the parade which then proceeded to Bowring Park. A treat of ice cream and lemonade was provided, whilst the kiddies were engaging themselves in the grounds. It had been arranged to motor to Topsail, but rain coming on, the idea was abandoned and the cars proceeded via Brookfield and Topsail End, occurred on Saturday last, after subsequently going through Govern-
