THE TORONTO WORLD: SATURDAY MORNING, FEBRUARY 25, 1888.

ONTARIO'S ORIMINAL LIST

ANNUAL REPORT OF THE INSPECTOR OF JAILS AND PRISONS.

A Bad Record for Toronto-Inspection of Steam Services-Other Business in the Local Legislature Yesterday-A Gane for

Whip Freeman, One of the features of yesterday's session of the Legislature was the bringing down of the the Legislature was the bringing down of the oriminal statistics of the province for the year ending Sept. 30, 1837, as compiled by Mr. R. Christia, Inspector of Jafls, Prisons and Re-formatories. The morality of the people, if this is a fair guide, standast about the same height as it did the provious year, and when comparison is still more favorable.

comparison is still more favorable. B. Catharines, according to its record, can wave the plume for either having a very moral town or a very good natured police force. To ronto's record looks blue. Inspector Christie mys that in the whole province there has been an increase of 372 in commitments for orime. If Toronto were, left out there would be a decrease of 219, as in this city there had been the large increase of 501. The total number of the absence of anything more sensational, more the sense of 510. The total number of the absence of anything more sensational, more the sense of anything more sensational, the sense of sense of senset of s

mmitments for the year is 11,017. In seven parate years since 1876 the number of com-

aitments have been considerably larger. In 877 the number was 12,030. under was 12,030. sing the report it is interesting to number contributed by each of the re moral barometer of these places for these places for the second sec

The crimes against the person show a remark-able diminution. In 1886 there were only 538, the smallest number on record since. Confeder-ation. Crimes against property number 2183, as compared with 2314. On the other hand, anst public morals and decency the largest since 1882, and offences blic order and peace 6886, the largest dince]

. 409 Fraud. 81 Larceny. 19 Bigamy. 18 Keeping houses of 111-21 fame.

292 There were 5134 Canadians convicted, 1904 Englishmen, 2397 Irishmen, 598 Scotolimen, 723 United States men, and 261 other foreigners. Of these 3929 were Roman Catholics, 3075 English Churchmen, 1355 Preebyterians, 1366 Methodists, and 662 belonging to other denominations. The number of married people suffering the listerics of conviction for crime was only 3965.

grace of conviction for crime was only 396, sompared with 7022 backelors and spinshers; of the eriminals were of temperate habits; o were intemperate. Those incarcerated o could read and write were 8536 in number; se who could not, 2431. It cost \$120,000 to intain the common jails of the province ring 1887. In 1886 it cost \$133,000.

INSPECTION OF STEAM SERVICES.

ated the work which the institu

appreciated the work which the institution was doing.
Col. Maybee of Port Rowan headed a deputation of 40 farmers from Norfolk to thank the Attorney-General for arranging for the appoint; ment of a Minister of Agriculture. They all shook hands with Mr. Mowat and retired, whereupon Mr. Hardy happily observed: "This is the most agreeable deputation I ever saw. They give thanks and ask for nothing."
Government Whip Freeman was made the subject of a happy enisode yosterday. When the was in the smoking room one of the Norfolk deputation and add him a pretty ebony cane with a shining gold top. Mr. Freeman took elarge of their bill. and success.
The Standing Oriers Committee has completed its out he did not expect any such tangible appreval of his success.
The Standing Oriers Committee has completed its work and presented its final renort.
Mr. Phelips' bill about fur bearing animals due to the did not expect any such that be permitted to oppears at all. The Attorney General at one time wanted an act prohibiting the killing of deer for a term of five years.
