Some Political Economists. legal gentleman of Hamilton named A legal gentleman of Hamilton named rerar advocates in a letter to Mr. Laurier, ublished in The Mail, the adoption by the filled with enthusiastic yacht-owners, Crerar advocates in a letter to Mr. Laurier, iberal party of an absolute Free Trade cry, who were present for the purpose of conand says the bogey of direct taxation as the alternative to the N.P. is a fraud. He Boswell was in the chair.

eaks of a proposed rise in 1877 from 171/ There were present besides Vice-Commospeaks of a proposed rise in 1877 from 1755 tariff to a 20 per cent. as "an increase to the burden of taration," but if the money was needed for revenue, as the public accounts show it to have been, how was the method of procuring it any more an additional burden than taking the cash would have been? Mr. Crerar says nothing new in a letter over two columns long, and may well be left to the trade of Hamilton, manufacturers

columns long, and may well be left to the tender mercies of Hamilton, manufacturers and their employes. There is also a legal gentleman named Lefroy of Toronto who is making a study of political economy, and when he has mastered one of the elementary truths threshed out that this meeting of yacht-owners and yachts. political economy, and when he has mastered one of the elementary truths threshed out here in the elections of 1878 he empties his conquest on The Mail's rubbish heap. If instead of bringing it up bit by bit he would let the whole fad of free trade stay on his stomach long enough to be digested he would do better, for his diction is good and he talks like a gentleman. Meantime, perhaps, if he and that other English legal light, Mr. J. Lockhart Gordon, were shut up in a room together for a week or two they might both he induced to, swear off and give us a rest. It appears that steam vessel-owners were

fces prohibit the attendance of any but the boys of wealthy or at least well-to-do parents. This feeling was so strong that it was seen that the school must cease to fighre among the list of state-aided schools. An arrange-ment was accordingly arrived at, not with-out a good deal of opposition, that the sute-ment was mented below. The Tribune Almanac for 1892 is fully up to the high standard of excellence attained by its predecessors. In some respects an advance has been made. For instance, it contains a statement in detail of the gold, silver. nickel, copper and paper money in circula-tion in the United States each year since 1860, with the quantity per capita, each year inco-gear, figured out. This is a statement which will be of interest to Canadians.
