HARRIS & CO. PROPRIETORS.

WATFORD, APRIL 9, 1915.

WARWICK.

Mr. Chas. Joynt is somewhat easier at times, but is still seriously ill.

Mrs. G. G. Baird and daughter June spent the Easter holidays in London.

Mrs. W. Wilson, London, spent Easter with friends and relatives at Kingscourt.

Mr. C. R. Williams, spent Easter with his daughter, Mrs. James H. Smith, London.

Miss L. Kadey, Wanstead, spent the Easter holidays at her home on the 4th line.

Miss Winnifred O'Neill spent the holidays with her sister, Mrs. A. E. Hobbs, Thorndale.

C. E. Routley, of the 18th Batt., London, spent Easter with his uncle and aunt, Mr. and Mrs. A. Morgan, 6th line.

At 2:30 p.m. Sabbath next the Rev. J. R. Laverie, B.A., of Forest, will preach in Knox Presbyterian Church, Warwick.

Miss Leta Thrower, of Bothwell, is spending Easter holidays with her parents, Mr. and Mrs. J. Thrower, Kingscourt.

The Misses Dora and Cora Scofield, of Springfield, Ont., were the guests of Miss Rheta Thompson, Kingscourt, during the past week.

A meeting of the Kingscourt Farmers' Club will be held Friday night, April 9.

G. G. Bramhill and R. Fretz will address the meeting.

A boy working for C. Joynt skipped out last week after stealing all the ready cash he could lay his hands on, amounting to over \$10.00.

Mr. and Mrs. W. White and son, of Sarnia, Mr. and Mrs. Charles William, Petrolia, and Mr. Frederick Williamson spent Easter with Mr. and Mrs. James A. Thompson, Kingscourt.

A special meeting of the Warwick branch W. I. will be held in the Foresters' Hall on Monday, April 12th, from 2 to 4 p.m., to sew and pack bales of supplies for Toronto University hospital at the front.

A special appeal was made for the following:—Sheets, 60x108 inches; pillow cases, 34x18 inches; handkerchiefs of cheesecloth, unhemmed; handkerchiefs of cotton, hemmed; nightshirts of twilled cotton; socks; pillows, 25x17; towels, huckaback or Turkish. These goods are needed for shipment on April 10th.

The meeting of the Women's Patriotic League, held at the home of Mrs. Dunn, was largely attended. A great deal of work was accomplished, both for Belgian Relief and Red Cross work. A large bale was packed for the following day for shipment to Montreal. Rev. Mr. Shore conducted the devotional services, after which the hostess served a delicious and bountiful tea, one of the dainties served which met with much commendation being English hot cross buns. The hostess handed the proceeds, \$10.55, which has since been supplemented, to the treasurer of the League. The thanks of the Women's Patriotic League are tendered to Mrs. Dunn for her kindness.

The United States Government has made public the note sent to Germany on the sinking of the American ship William P. Fry by the German auxiliary cruiser Prinz Eitel Friedrich. Indemnification with interest is asked.

The Dutch Government has notified the United States that any foreign ship which flies the Dutch flag or in any other way pretends to be of German nationality will not be permitted to leave or pass through waters governed by the Netherlands.

The King of England has taken a definite stand on the question of territorialism. In an official announcement His Majesty commands that no wines or spirits shall be used by any of his households after April 8.

April 7.—It is still on the Carpathian mountains that the most bitter fighting is in progress. The Russians have crossed the principal chain in the region of the Rostok Pass and occupy two villages on the slopes of the Hungarian side of the mountains. This claim is made by the Russian war office, which asserts that all along this front the Russians have continued to make progress.

The assertions of Petrograd are not borne out by the Austrian official statement, which declares that, in conjunction with German forces, the Austrians have captured two strong positions on the heights east of the Laborca Valley, and repulsed strong Russian attacks in nearby sections, capturing 7,570 prisoners. In addition, Vienna says that on the Dneister River two Russian battalions have been annihilated. To the north, in Poland, only desultory fighting is going on in the vicinity of the East Prussian frontier.

Unofficial reports reaching London are to the effect that British warships again are bombarding Smyrna.

Warmbad, German Southwest Africa, has been taken without opposition by the Union of South Africa forces.

Lord Kitchener has decided to wait no longer for the workmen of Great Britain voluntarily to take up the task of manufacturing munitions of war necessary for the prosecution of the combat, and has appointed a committee to obtain sufficient labor for this purpose.

The French press bureau asserts that from figures compiled from official German casualty lists it has been ascertained that since the war began the Germans have lost over half of their officers. Of 52,805 officers it is declared that up to March 15, 9,923 had been killed and that 21,531 had been wounded or were missing.

So great has been the demand for Bulletins, Pamphlets, Records and Reports under the Publications Branch of the Department of Agriculture at Ottawa as a result of the Patriotism and Production Movement, that it has been found impossible to comply with all the appli-

cations as promptly as could be desired. Of some of the Bulletins the supply has been exhausted and no time has been afforded for reprinting, while of others the quantity asked for individually has been such that instant compliance would mean many applicants might have to go without. This has meant extra correspondence and constant delay. The situation is, of course, satisfactory as indicating the success of the campaign, and the widespread interest created, but the inability to respond on the instant with the multitude of applications is greatly regretted. At the same time it is impossible that the size of the demand could have been foreseen. At last as possible the requests will be attended to, but in the meantime there will have to be reprinting and in cases revising. In such circumstances patience appears to be a desirable and necessary quality.

Agricultural Bulletins

So great has been the demand for Bulletins, Pamphlets, Records and Reports under the Publications Branch of the Department of Agriculture at Ottawa as a result of the Patriotism and Production Movement, that it has been found impossible to comply with all the appli-

cations as promptly as could be desired. Of some of the Bulletins the supply has been exhausted and no time has been afforded for reprinting, while of others the quantity asked for individually has been such that instant compliance would mean many applicants might have to go without. This has meant extra correspondence and constant delay. The situation is, of course, satisfactory as indicating the success of the campaign, and the widespread interest created, but the inability to respond on the instant with the multitude of applications is greatly regretted. At the same time it is impossible that the size of the demand could have been foreseen. At last as possible the requests will be attended to, but in the meantime there will have to be reprinting and in cases revising. In such circumstances patience appears to be a desirable and necessary quality.

CHOP STUFF

Wyoming stores will close at 6:30 after April 15th.

Merrill & Pollard will open a new garage in Petrolia.

Glencoe all-night electric light service has been discontinued until fall.

Mrs. John Watterworth died at Glencoe on Friday, aged 83 years. Her husband, who predeceased her many years ago, was at one time member of the legislature.

Greenhouse cucumbers are now being marketed by Leamington growers, and about the middle of this month it is expected that tomatoes will be ready to ship.

P. J. McHugh, of the Market House, London, recently paid \$80.04 for 80 Plymouth Rock hens. Mr. Branton, of Lobo, was the man who raised the birds and sold them.

A Battalion Bank, designed to promote a saving spirit among the men, has been inaugurated by the 33rd Battalion, Canadian Expeditionary Force, in training at London, Ont.

The oldest resident of Dunwich, in the person of Mrs. Eliza Garbutt, died a few days ago on the farm on which she was born in that township, having reached the advanced age of 93 years.

The Kingsville Reporter of last week records a remarkable birthday celebration. It says: "Monday last three sisters, daughters of Mr. and Mrs. Benjamin Wigle, celebrated their birthdays

at the home of the youngest, each born on the 8th of March and 7 years apart. We doubt if a similar circumstance could be recorded in any other family in the Dominion of Canada."

James Frayne, a former well-known resident of Bosanquet, died in Detroit on Monday, aged 65 years. His widow, two sons and one daughter survive him. Henry, Isaac and Levi Frayne, of Bosanquet, are brothers.

The death occurred Tuesday at his home in Adelaide Township of William R. Bolton, in his 30th year. Mr. Bolton was sergeant in the 25th Middlesex Regiment and was one of those chosen to represent the regiment in England at the time of the King's coronation.

The "pay-up week" is a new idea which, starting in a small town in Wisconsin, is rapidly spreading over the Western States. The philosophy of the plan is simply this: that by paying your bills, the other fellow is enabled to pay his, and so on in a sort of endless chain, which finally comes around to you again, with you out of debt, and no one owing you. Thus all are quits, the commercial skies are clear, and everybody feels better.

War Summary

April 5.—There has been little fighting on the western front. The French have taken the village of Regnieville in the Weevre department from the Germans, while the Germans have driven the Belgians from the village of Drai Grachten on the west bank of the Yser canal.

Reports reaching Petrograd are to the effect that the Turkish armored cruiser Medjidieh has been sunk by a mine in the Black Sea off the Russian coast. Two steamers have been blown up as a result of the naval warfare. A German submarine has destroyed a British steamer in the English Channel off the southern end of the coast of Cornwall, with a loss of four men of the crew, while a German steamer has been sent to the bottom by striking a mine in the Baltic Sea.

April 6.—The German submarine U-31 has sunk the Russian bark Hermes and the British vessel Olive. Great excitement has been caused in Genoa by the receipt of a report that a German submarine has sunk the Italian steamer Luigi Parodi, which left Baltimore on January 22 with coal for Genoa. The Italian authorities have taken strong measures to protect the German colony. The crew of the Luigi Parodi was made up entirely of Genoese, and nothing has been heard from them.

The Bulgarian Government has explained that rebels were responsible for the capture of the German auxiliary cruiser Prinz Eitel Friedrich. Indemnification with interest is asked.

The Dutch Government has notified the United States that any foreign ship which flies the Dutch flag or in any other way pretends to be of German nationality will not be permitted to leave or pass through waters governed by the Netherlands.

The King of England has taken a definite stand on the question of territorialism. In an official announcement His Majesty commands that no wines or spirits shall be used by any of his households after April 8.
