**WISTAR'S BALSAM OF WILD CHERRY.**  
A Compound Balsamic Preparation from Wild Cherry Bark and Tar.  
The best remedy known to the world for the cure of Coughs, Colds, Asthma, Cramp, Bleeding of the Lungs, Whooping Cough, Bronchitis, Inflammation, Shortness of Breath, Pain in the Throat, Hoarseness, Sore Throat, Sore Side, Liver Complaint, and the first stages of CONSUMPTION.  
A THOUSAND CURES in cases deemed utterly hopeless have firmly established its vast superiority over every former medical discovery. It has always been styled "Nature's own Prescription," being formed directly from chemical extracts from Wild Cherry Bark and Tar—two trees that are thickly scattered wherever disease of the lungs prevails. We give a few instances of its extraordinary power, from a catalogue almost without end.  
A lady (address will be given at the New York Agency) who was given up by all her physicians to die of consumption, had a hard tumour for months on the side—raised among large quantities of matter a sort of boggy substance—had taken no medicine for two months being past all hope—entirely cured by a few bottles of this Balsam in September and October, 1844.  
A Williams, Esq., Attorney, Act., New York, cured of spasmodic asthma of 25 years' standing, certified to by Recorder Tallmadge and J. Pomer, D. D.  
A Canadian, New York City, who had not slept, lying down, for 7 years, (being obliged to sleep in a sitting posture) so far cured as to attend to his business in the most stormy weather.  
Thomas Bradley, Esq., J. P. Jamaica, L. I., cured of asthma of 40 years' standing.  
Mrs. Anna D. Hopkins, of Knowlesville, N. Y. entirely cured of liver complaint and general debility of eighteen months' standing.  
Jacob H. Swan, M. D. Huntington, cured a child of P. schrabie, of obstinate disease of the lungs after he had tried all the usual remedies in vain.  
"There is no such thing as fail" in the history of this wonderful BALSAM. Evidence the most convincing—evidence that no one can deny—fully establishes this fact.  
NO QUACKERY!! NO DECEPTION!!  
All published statements of cures procured by this medicine, are, in every respect TRUE. Be careful and get the genuine "Dr. Wistar's Balsam of Wild Cherry," as spurious imitations are abroad.  
Address all orders to SETH W. FOWLE, Boston.  
For sale in St. Andrews, by THOMAS SIMP.  
St. Stephen—JOHN M. CAMPBELL.

**Wheezing on the Chest and Shortness of Breath.**  
Copy of a Letter from Mr J. Casey, No. 1, Crown Street, Exmouth Street, Brunswick Square London, April 25th, 1845.  
Sir—I beg to inform you that I believe I have been afflicted more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was obliged every moment of being clothed with phlegm. I never went into a bed very often indeed, I have been obliged to pass the night without being able to recline sufficiently by my head on a table, but I should be satisfied, No one thought I could live over the winter—now did I expect it myself, but I am happy to say that I am now able to work from mornng to night, and that I sleep as well as ever I did in my life and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking one of your Pills at bedtime, and ten again in the morning, for about three months.  
(Signed) JEREMIAH CASEY.  
IN ALL DISEASES OF THE SKIN.  
Bad Legs, Old Wounds, and Ulcers, Bad Breasts, Sore Nipples, Stomach and Ulcerated Cancri, Tumours, Swellings, Gout Rheumatism and Lumbago, likewise in Cases of Piles the Pills in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a most greater certainty and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chigcooat laws, and Coco-tay  
Borras, Scalds, Chibbins, Crapped Heads, and Lips, also Burns and soft Corns, will be immediately cured by the use of the Ointment.  
THE PILLS are not only the finest remedy known when used with the Ointment, but as a General Medicine there is nothing equal to them. In nervous affections, as well as in all cases of general debility, or where there is a want of purity in the blood and fluids, they will restore HEALTH TO ALL!

**ALL MAY BE CURED BY HOLLOWAY'S OINTMENT!**  
FIFTY ULCERS CURED IN SIX WEEKS.  
Extract of Letter from John Martin, Esq., "Chronicle" Office, Toledo, West Indies—  
February 4th, 1845.  
To PROFESSOR HOLLOWAY.  
Sir—I beg to inform you that the inhabitants of this Island especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines with their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running sores about his legs, arms, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.  
(Signed) JOHN MARTIN.

**FILES, PISTILLS, AND HEALING-DOWN PILLS.**  
A remarkable Cure by these Pills and Ointment.—A half pay lieutenant, lately residing at St. John's, N. York, whose name by request is omitted, had for three years suffered from a debilitated constitution, he was completely cured of all his infirmities and restored to the full enjoyment of health by these justly renowned medicines, when every other remedy failed.  
EXTRAORDINARY CURE IN THE WEST INDIES, OF LEPROSY AND OTHER DANGEROUS SKIN DISEASES.  
June 3rd, 1844.  
Mr. LEWIS REDON, of Georgetown in Demerara, writes under the above date—that having used a Pill and Ointment he cured bad legs that no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scabs and other skin diseases of the most frightful nature, and that he cured eleven thousand the whole population.  
CANCERED BREAST—A WONDERFUL CURE.  
Copy of a Letter from Richard Bull, Bootmaker, Totton, near Southampton  
February 9th, 1845  
To PROFESSOR HOLLOWAY.  
Sir—The Lord has permitted to be wrought a wonderful cure of Cancer of the Breast, of several years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone had come away, and I expected that my poor wife would never have been able to rise from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter amazement, in the space of about three months, healed up the breast as grandly as ever it was in her life.  
"I shall ever remain  
Your most grateful and obedient servant,  
(Signed) RICHARD BULL.

IN ALL DISEASES OF THE SKIN.  
Bad Legs, Old Wounds, and Ulcers, Bad Breasts, Sore Nipples, Stomach and Ulcerated Cancri, Tumours, Swellings, Gout Rheumatism and Lumbago, likewise in Cases of Piles the Pills in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a most greater certainty and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chigcooat laws, and Coco-tay  
Borras, Scalds, Chibbins, Crapped Heads, and Lips, also Burns and soft Corns, will be immediately cured by the use of the Ointment.  
THE PILLS are not only the finest remedy known when used with the Ointment, but as a General Medicine there is nothing equal to them. In nervous affections, as well as in all cases of general debility, or where there is a want of purity in the blood and fluids, they will restore HEALTH TO ALL!  
N. B.—Directions for the Guidance of Patients are affixed to each Pot.

**Wheezing on the Chest and Shortness of Breath.**  
Copy of a Letter from Mr J. Casey, No. 1, Crown Street, Exmouth Street, Brunswick Square London, April 25th, 1845.  
Sir—I beg to inform you that I believe I have been afflicted more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was obliged every moment of being clothed with phlegm. I never went into a bed very often indeed, I have been obliged to pass the night without being able to recline sufficiently by my head on a table, but I should be satisfied, No one thought I could live over the winter—now did I expect it myself, but I am happy to say that I am now able to work from mornng to night, and that I sleep as well as ever I did in my life and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking one of your Pills at bedtime, and ten again in the morning, for about three months.
