Christmas Cheer

Can Christmas be a merry one if the house is not brightly, lightly lighted? Hardly. Joy and gladness, light and kindness are synonymous with the spirit of Christmas Day. It is possible to fill your home with a flood of light with no increased expense, on the contrary the gas meter will go slower. There is only one light which will accomplish this, and that is

The Improved

Auer Light.

Three times the light for half the gas.

Lights, shades and drop-lights sent on approval.
