Scientific and Useful.

CUSTARD.—Three eggs well beaten, one
pint of sweet milk, salt and sugar to taste,
and a little grated nutmeg.

DIGESTING EGGS.—For hard-boiled eggs,
cook them for twenty minutes in water just
tubbling. The yolk of an egg cooked ten
minutes in rapidly boiling water is tough and
indigestible; cooked twenty minutes it is
dry, mealy and easily digested.

IN HABITUAL CONSTIPATION, Camp-
bell's Cathartic Compound is used with great
success.

TO REMOVE BRASS STAINS.—The
strongest concentrated ammonia will remove
stains from old brass when all else fails. The
ammonia vapour changes the brass, during
the process of cleaning, to a bronze colour,
but the immediate application of the liquid
removes it at once.

A CURE FOR DRUNKENNESS.—Opium,
morphine, chloral, tobacco and *kinet habit*.
The medicine may be given in tea or
coffee without the knowledge of the person
taking it, if so desired. Send 6 cents in
stamps for book and testimonials from those
who have been cured. Address M. V.
Lubon, 47 Wellington Street East, Toronto,
Ont.

LEMON CHEESE.—Take half a pound of
lump sugar, two ounces of butter, two eggs,
one lemon grated, and the juice. Melt the
butter in a clean pan; mix the sugar and
lemon juice and rind together, adding the
eggs and butter last. Stand it over the fire
until the thickness of honey.

A TRUSTY FRIEND.—Perry Davis' Pain-
Killer. Safe to keep and to use in every
household.

GOOD PIE-CRUST.—Allow one quarter of
a cup of lard to each cup of flour, rubbing it
well into the flour; a little salt should of
course be added. Mix all well together with
very cold water to the proper consistency,
being careful not to get it too wet. This
makes a crust plenty rich enough for either
lemon or custard pie.

Deep Sea Wonders
Exist in thousands of forms, but are surpassed
by the marvels of invention. Those who are
in need of profitable work that can be
done while living at home should at once
send their address to Hallett & Co., Portland,
Maine, and receive free, full information
how either sex, of all ages, can earn from \$5
to \$24 per day and upwards wherever they
live. You are started free. Capital not re-
quired. Some have made over \$50 in a
single day at this work. All succeed.

CHOCOLATE CARAMELS.—Boil together
for twenty minutes, one cup of molasses, one
cup of sugar, one of chocolate, and half a cup of
milk. When nearly done, add a piece of
butter about as large of an egg, and flavour
it with vanilla. Drop a little in water to ascer-
tain if it is done. Stir a few minutes, and
then pour upon buttered dishes. When not
quite cold, mark the candy in little squares
with the back of a knife.

"I believe, wife, my sight is getting
bad! Oh have you got a poor light to-night?"
"The light is the same as usual. Your
sight must be failing. You had better go
to I did, to Barker & Co.'s in the Y.M.C.A.
building, and get a pair of the world-re-
nowned Lazarus & Morris' Perfected Specta-
cles which strengthen the eyesight, and they
never tire my eyes as all I had before used
to do."

SWEDISH ROLLS.—One pint of hot
milk, one-half cup of butter, and one-quarter
cup of sugar creamed together. Add the
whites of two eggs beaten stiff, and one-half
cup of compressed yeast dissolved in a little
warm water. Stir in flour enough to make
it stiff enough to knead until smooth; set it
to rise. When well risen roll out one-half
inch thick, spread with sugar, spice, a little
grated lemon, or a few currants. Roll up
like jelly roll, cut in slices an inch wide, let
them rise, and bake in a quick oven.

TO PURIFY A ROOM.—To purify a room,
set a pitcher of water in it, and in a few
hours it will have absorbed all the respired
gases in the room, the air of which will be-
come purer, but the water utterly filthy. The
colder the water is, the greater the capacity
to contain these gases. At the ordinary
temperature a pail of water will absorb a
pint of carbonic acid gas and several pints of
ammonia. The capacity is nearly doubled
by reducing the water to the temperature of
ice. Hence, water kept in a room for a
while is unfit for use.

The treatment of many thousands of cases
of those chronic weaknesses and distressing
affections peculiar to females, at the Invalida
Hotel and Surgical Institute, Buffalo, N. Y.,
has afforded a vast experience in wisely adapt-
ing and thoroughly testing remedies for the
cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription
is the outgrowth, or result, of this great and
valuable experience. Thousands of testimo-
nials, received from patients and from physi-
cians who have tested it in the more aggra-
vated and obstinate cases which had baffled
their skill, prove it to be the most wonderful
remedy ever devised for the relief and cure of
suffering women. It is not recommended as a
"cure-all," but as a most perfect Specific for
woman's peculiar ailments.

As a powerful, invigorating tonic,
it imparts strength to the whole system,
and to the womb and its appendages in
particular. For overworked, "worn-out,"
"run-down," debilitated teachers, milliners,
dressmakers, seamstresses, "shop-girls," house-
keepers, nursing mothers, and feeble women
generally, Dr. Pierce's Favorite Prescription
is the greatest earthly boon, being unequalled
as an appetizing cordial and restorative tonic.
As a soothing and strengthening
nervine, "Favorite Prescription" is un-
equalled and is invaluable in allaying and sub-
duing nervous excitability, irritability, ex-
haustion, prostration, hysteria, spasms and
other distressing, nervous symptoms com-
monly attendant upon functional and organic
lesions of the womb. It induces refreshing
sleep and relieves mental anxiety and de-
spendency.

Dr. Pierce's Favorite Prescription
is a legitimate medicine, carefully
compounded by an experienced and skillful
physician, and adapted to woman's delicate
organization. It is purely vegetable in its
composition and perfectly harmless in its
effects in any condition of the system. For
morning sickness, or nausea, from whatever
cause arising, weak stomach, indigestion, dys-
pepsia and kindred symptoms, its use, in small
doses, will prove very beneficial.

"Favorite Prescription" is a posi-
tive cure for the most complicated and ob-
stinate cases of leucorrhoea, excessive flowing,
painful menstruation, unnatural suppression,
prolapsus, or falling of the womb, weak back,
female weakness, anteverision, retroversion,
bearing-down sensations, chronic congestion,
inflammation and ulceration of the womb, in-
flammation, pain and tenderness in ovaries,
accompanied with "internal heat."

As a regulator and promoter of func-
tional action, at that critical period of change
from girlhood to womanhood, "Favorite Pre-
scription" is a perfectly safe remedial agent,
and can produce only good results. It is
equally efficacious and valuable in its effects
when taken for those disorders and derange-
ments incident to that later and most critical
period, known as "The Change of Life."

"Favorite Prescription," when taken
in connection with the use of Dr. Pierce's
Golden Medical Discovery, and small laxative
doses of Dr. Pierce's Purgative Pellets (Little
Liver Pills), cures Liver, Kidney and Bladder
diseases. Their combined use also removes
blood taints, and abolishes cancerous and
scrofulous humors from the system.

"Favorite Prescription" is the only
medicine for women, sold by druggists, under
a positive guarantee, from the manu-
facturer, that it will give satisfaction in every
case, or money will be refunded. This guaran-
tee has been printed on the bottle-wrapper,
and faithfully carried out for many years.

Large bottles (100 doses) \$1.00, or six
bottles for \$5.00.
