A Chance to Make Money.

I have been selling Perfumes for the past six months. I make them myself at home and sell to friends and neighbors. Have made \$710. Everybody buys a bottle. For 50 cents' worth of material I make perfumes that would cost \$2.00 in drug stores. I also sold 125 formulas for making perfumes at \$1.00 each.

I first made it for my own use only, but the curiosity of friends as to where I procured such exquisite odors, prompted me to sell it. I clear from \$25 to \$35 per week. I do not canvass; people come and send to me for the perfumes. Any intelligent person can do as well as I do. For 10 cents in stamps I will send you the formula for making 12 of the most popular odors and sample bottle prepaid. I will also help you get started in the business.
