The HOTEL ROBERVAL, Roberval, has been greatly enlarged and now has accommodation for 300 guests. A new and commodious hotel—the ISLAND HOUSE—has been built on an island in the Grand Discharge fishing grounds, and is run in connection with Hotel Roberval.

These Hotels control the fishing rights of Lake St. John and tributaries, together with the Grand Discharge, and ten miles of the Saguenay River, making these the most attractive fishing grounds in North America, covering an area of 8,000 to 10,000 square miles of fishing privileges, all of which are free to the guests of the Hotels.

A commodious steamer runs daily during the tourist season, between Roberval and the Island House, at Grand Discharge, thirty miles distant.

BEATTY'S TOUR OF THE WORLD.

Ex-Mayor Daniel F. Beatty, of Beatty's Celebrated Organs and Pianos, Washington, New Jersey, has returned home from an extended tour of the world. Read his advertisement in this paper and send for catalogue.

BEATTY

Dear Sirs—We returned home April 9, 1890, from a tour around the world, visiting Europe, Asia, (Holy Land), India, Central Africa (Egypt, Ocaluca, (island of the Seas,) and Western America. Yet in all our great journey of 25,974 miles, we do not remember of hearing a piano or organ sweeter in tone than Beatty's. For we believe we have the sweetest toned instruments made at any price. Now to prove to you that this statement is absolutely true, we would like for any reader of this paper to order one of our matchless organs or pianos, and we will offer you a great bargain. Particulars Free. Satisfaction GUARANTEED or money promptly refunded at any time within three (3) years, with interest at present, on either Piano or Organ, fully warranted ten years. 1870 we left home a penniless plowboy; to-day we have nearly one hundred thousand of Beatty's organs and pianos in use all over the world. If they were not good, we could not have sold so many. Could we? No, certainly not. Each and every instrument is fully warranted for ten years, to be manufactured from the best material market affords, or ready money can buy.
