INLAND revenue receipts at Toronto this last fiscal year were \$1,215,000, as compared with \$1,142,502 in the previous year.

THE Grand Trunk Railway Company are making extensive alterations at the Don (Toronto), yards to effect a general rearrangement of tracks and stock yards. About \$20,000 to \$30,000 will probably be spent on the work.

THE estate of the late Moses Staunton, Toronto, the wall-paper manufacturer, who died early in May last, is valued at \$72,301, the chief item of which comprises \$67,440 in bank shares and stocks.

THE finance committee of the Montreal city council have accepted the tender of Mr. J. O. Gravel for \$20,000 of the city loan at 108 4-10, and for the balance of the \$238,000, that of Hanson Bros. for 107.51.

We learn that Mr. J. J. McGill, of Montreal, has severed his connection with the Canadian Rubber Company, of which he was general manager. The employees of the company presented him with an illuminated address, expressing regret at his leaving.

IN pursuance of the agreement by which the Montreal Harbor Commissioners lease to the Grand Trunk Railway Company sites for terminal facilities on Windmill Point wharf, a lease has been signed by the authorities of the board and the company respectively.

THE United States, British Columbia Corporation has been incorporated in the United States with a capital of \$5,000,000, to build a blast furnace at Everett, or at some other Puget Sound point. Mr. J. F. Bledsoe, the engineer, who controls extensive deposits of iron and limestone in British Columbia, is the promoter of the scheme.

THE Tacoma Steel Company has made plans for the erection of a 250-ton blast furnace at Tacoma, which will be the first modern blast furnace erected on the Pacific Coast. Iron ores and limestone will be brought from the company's properties in British Columbia. Rolling mills and shipbuilding plant will be constructed by the same company, which has secured control of the largest iron deposits on Vancouver and adjacent islands.

THE July number of the Canadian Churchman is an interesting and handsome one. It is largely devoted to Trinity College, whose Jubilee is being celebrated. There are many illustrations, including portraits of Bishop Strachan, Bishop Bethune, Bishop DuMoulin, the first Provost, Dr. Whittaker, and the present Provost, Mr. T. Street Macklem. A number of excellent views of the exterior and interior of the college and chapel are given, and they are as clear in execution as good photographs. Mr. Wootten has shown sound judgment in his selection of fine paper for his cover. As the Monetary Times Company did the printing of this special issue, we can hardly be expected to praise the typographical work. We do, however, confidently call attention to it.
