The Owen Sound Portland Cement Company, Limited

WORKS AT . . .
SHALLOW LAKE, ONT.

Over 39,000 barrels of our SAMSON BRAND PORTLAND CEMENT sold during 1895, and not a single complaint received as to its quality.

[The City of Toronto have contracted with us to supply our SAMSON BRAND PORTLAND CEMENT for the requirements of the whole city for 1897 and 1898.]

Can you wish any better recommendation?

Canada can produce as good Portland Cement as made in the world, and we are making it.

We guarantee the quality to be equal in every respect to the best imported brands from England and Germany.
