LOGIBEC GROUPE INFORMATIQUE LTEE.

1.1:Communications Technology:Telecommunications Networking
1.2:Communications Technology:Transmission Media
1.3:Communications Technology:Modulation and Encoding
1.4:Communications Technology:Switching and Multiplexing
3.1:Communications Networks :Computer Communications Protocols
3.2:Communications Networks :ISDN
3.3:Communications Networks :Local Area Networks
3.6:Communications Networks :Communications Network Mgmt.
4.1:Office Automation Systems:Text and Graphics Creation, Manip
4.2:Office Automation Systems:Database Management
4.3:Office Automation Systems:Electronic Mail and Messaging
4.4:Office Automation Systems:Elec File Trans & Decision Support
5.1:Computer Systems and Apps:Image Recognition and Processing
5.2:Computer Systems and Apps:Voice Recognition
5.3:Computer Systems and Apps:Dist and Par Processing Systems
6.1:Software Automation   :Rel Database Storage and Retrieval
6.2:Software Automation   :Computer Aided Educ and Inst
6.3:Software Automation   :Computer Aided Design and Mfg
6.4:Software Automation   :Computer Integrated Manufacturing
6.7:Software Automation   :Electronic Publishing
7.1:Human-Machine Interface :Intelligent Input/Output
7.2:Human-Machine Interface :Speech Recognition
7.4:Human-Machine Interface :Visual Pattern Recognition
