Description:

Summary report on collaboration between Canadian universities and post-secondary institutions in the Netherlands (partial - some universities did not respond to AUCC survey or the survey of the Ministry of Education and Science in the Netherlands).

Origine/Background:

Survey of all Canadian universities which hold membership in AUCC

Objectifs/Objectives:

Information

Décision et mise en oeuvre/Decision and Implementation:

Representatives of the Netherlands Ministry of Education and Science and the AUCC were pleased to exchange and compare lists of inter-university cooperation and linkages which had been reported by institutions in each country. An annex containing a joint list, composed of information compiled in each country will be forwarded to all interested parties as soon as compiled. It was agreed by both sides to continue to gather and to exchange such data.
