ADMINISTRATION OF JUSTICE

GEORGES MARCOTTE—PRESS REPORT
OF INTERVIEW

On the orders of the day:

Right Hon. J. G. Diefenbaker (Leader of the Opposition): Mr. Speaker, some time ago I directed a question to the Solicitor General with regard to a convicted murderer, Georges Marcotte, who gave a lengthy interview in the prison, and also evidence in respect of his artistic ability was made available to the press. The question was, under what circumstances was permission given to him. Is the Solicitor General now in a position to give the information.

Hon. L. T. Pennell (Solicitor General): Mr. Speaker, I thank the right hon. gentleman for giving me notice of his intention to ask this question. I should say that this matter arose as a result of a visit by Mrs. K. H. Lines and Mr. Grant Johnston. Mrs. Lines is president of the Creative Awards Association. This association was founded to promote creative talents among prison inmates in the fields of art, music and literature. As president of this association, Mrs. Lines was a welcome visitor to the federal institutions in the Montreal area.
