Dear Sir,

I am glad to be able to inform
you that I have at last been
able to select a series of sherds,
figurines, and other duplicates
which were found by the British
School at Sparta in 1907 onwards,
and a small case containing
them has been sent off to you
today.

Although I fear the objects
will not prove to be good
Museum pieces, they will
I hope be of interest.

Yours faithfully

M. S. Thompson
