

Tory Patronage List

WHAT GENERAL HUGHES SAYS

In the dying hours of the last Session of Parliament, Major General Hughes, in his usual bumptious manner, informed the House **that there was no patronage list in his Department:**

What did his Director of Contracts, Mr. H. W. Brown, say before the Public Accounts Committee on April 9th, 1915.

A TORY PATRONAGE LIST SINCE 1911

"From 1906 to 1911 there was not very much "in the way of a patronage list; I was given a "pretty free hand and I bought without much "reference to any patronage list—There is now a "patronage list. **WE BUY FROM THAT LIST—It "is a very large list now—I suppose we have 8,000 "names on that list."**—*H. W. Brown, Director of Contracts, Department of Militia before the Public Accounts Committee on April 9, 1915.*
