

MEAFORD RINK WINS THE FLAVELLE TROPHY

HARSTONE COULD NOT CHECK THE PILGEM'S PROGRESS

Meaford Rink Wins Final for Flavelle Trophy—McGibbon of Sarnia and O'Connor of Lindsay Left in Gillies—Granites Beat Braden in Extra End.

LINDSAY, Jan. 18.—(Special.)—With the exception of the final in the Gillies Trophy, the bonspiel wound up today. The event was a huge success in every respect, and the outside curlers heartily congratulated President Carey and the officers of the Lindsay Club on the success they achieved. Their only trouble was in running off 104 entries, instead of 60 or 70, as expected. However, the show is practically over tonight, which tells of the splendid work of the committee, and eliminates the sincerity of criticism.

The Braden and Harstone rinks left tonight for Toronto. Mr. Braden started for Winnipeg on Friday. The Sarnia team are staying over to play the final for the Gillies Trophy on Monday morning.

The final in the Gillies Trophy, one of the main events of the big "spiel," was reached when Sarnia and O'Connor of Lindsay met, the former winning out by 11 to 10, in one of the most brilliant games of the week. At one stage the veteran Flavelle was eight down, and it was only by the tactics of experience and enthusiastic aggressiveness that he pulled the lead down, and also overcame it. On the home stretch they were tied, O'Connor winning out when his men placed their rocks perfectly.

They were as readily replaced by Flavelle, but eventually one of O'Connor's wicked in behind a pile of guards, where it remained hidden from view, thus winning the game.

The final game will be played Monday morning, between O'Connor of Lindsay and Sarnia. Skip McGibbon's injured shoulder healed rapidly, but he will be a spectator on Monday since his accident. Col. McKenzie skipping the three-man combination.

The three pillars, sarnia, and McIntosh, the general storekeeper, of the fishing town of Meaford, who were dark horse winners at the Ontario Tankard and two years ago, won the Flavelle trophy and four gold medals after noon, and are high men for the grand aggregate prize (Carew Cup) and four gold medals. They defeated Ross Harstone, the Toronto Granites, in the final event 10 to 6. The Granites showed signs of the previous evening's play, in which they put Braden of Winnipeg out. Col. McKenzie of Sarnia, by defeating Col. Little of Lindsay by 12 to 10, qualified for the final in the Gillies Cup, and will play Larry O'Connor of Lindsay on Monday morning. If he wins, he ties Pilgrem for the grand aggregate, and they lead for the prize.

The Pilgrem-Harstone game was played right at the Granites beat Winnipeg. Harstone was a favorite. However, the flatter lads were curling in support form.

The feature of the afternoon's play was the marvelous and spectacular shots made by Braden in the Braden game when he tied the score on the twelfth end after Braden secured a four, and won out on the extra end. He had to make two perfect shots as to weight and judgment, but he was there with the goods.

Braden's fall was sudden, and showing signs of the strain, was given a 15 to 10, by winning by 10 to 13, and then hung his tin on the line of Lindsay by 12 to 10. Braden, besides his straight shots, performed the feat of putting away Bege and Braden in succession, two rinks that had not been beaten before in the opens.

Col. McKenzie of Sarnia first put Bege of Perry Sound out by 14 to 13, and then hung his tin on the line of Lindsay by 12 to 10. Bege, in turn, won by 10 to 13, by putting away Bege and Braden in succession, two rinks that had not been beaten before in the opens.

ST. MIKES DOWNED THE BLUE AND WHITE

A Dazzling Game Was Won by Green Shirts—Aird, McCamus and Rankin Star.

St. Michaels now have a clear lead in their group of the senior O.H.A. and on form will take a whole lot of beating for the championship this year. They had a great, while the locals submerged them in fact one of the fastest and most strenuous games that the green shirts have been in for two years. Although they finally beat Varsity by the score of nine to four Saturday afternoon they found the game practically in the same style that they have been used to playing and the tussle was a hard one. Varsity making the journey to see. Speed of the fastest kind, snoring in spots, while the snappy back and forth action was making two by both aggregations did not leave many openings.

The dazzling persistency of the blue and white forwards in breaking thru the St. Mike's defence bothered Addison more than he had had a moment to himself and it was chiefly his great work that enabled the Varsity men from making it extremely close. Thirteen goals are quite a lot of tallies for a senior game, and the speed of the play and effectiveness of it justified even more than that number. Both forward lines were working like machines and the combination of both sets allowed nothing but real hard checking if scores were to be prevented. Rankin, Lafamme and Company were relentless in their activities and kept the Varsity men, on the other hand, were not much better off. Varsity men, on the other hand, were not much better off. Varsity men, on the other hand, were not much better off.

The first fifteen minutes of the first half were so fast that the five thousand fans that gathered to see the fracas fairly gasped with excitement. Goals were made by both sides' game at half time, even the St. Mike's had broken away and scored in four minutes. Varsity took the score at half time 4 to 2 in favor of St. Michaels. In the second half St. Mike's gathered to see the fracas fairly gasped with excitement. Goals were made by both sides' game at half time, even the St. Mike's had broken away and scored in four minutes. Varsity took the score at half time 4 to 2 in favor of St. Michaels.
