DOUGHTY TO RUN AS TEMPERANCE CANDIDATE

He Thinks Riverdale Conservatives Will Bring Out a Straight Party Candidate, But Says He Will Run on the Temperance Ticket if They Do.

C. J. Doughty came out in a flat-footed statement last evening, to the effect that he had not agreed to support Mr. Rowell. The public had misinterpreted his action in thinking that, and the inference to be gained from certain newspapers was not fair. He did not wish to discuss the affair at all, claiming that a full explanation was on the way, but fired up at the end to say that he had not agreed to support Rowell, altho, as far as the temperance end of his statement was concerned, it was correct.

What action the Ward One Association will take has not yet been decided. Late last evening D. J. LeRoy, one of the prominent workers, stated that nothing would be done until the executive met tonight in the Oddfellows' Hall. At that meeting the whole situation would be discussed and a decision made as to proper action.

Says He's a Liberal.

He said in addition that since Doughty had adopted the platform which made temperance an issue in the present campaign, the man who stood behind it was a Liberal and not a Conservative.

In the meantime, as far as the Liberal organization is concerned, matters are at a standstill. The convention called for Thursday evening has been postponed, and serious consideration will be given before the executive makes an announcement. Not only is the action of Doughty to be met, but the fact that at least two Liberals are out strong for nomination is also to be reckoned with.

Will Run Anyway.

In a statement yesterday, Mr. Doughty took the ground that, altho he was a Conservative, he would not be deterred to run on temperance by that party. He included with this, tax reform, woman suffrage and labor matters. He was not pledging himself to Mr. Rowell, for he would go farther in abolition than he. He felt that the Conservatives would bring out a straight party man, but even so, he would run on a temperance ticket.

His attitude was one of not caring what party he offended, but of maintaining a firm stand for temperance when appearing before the people.

ALL NATIONALISTS TAKING UP ARMS

Irish Volunteer Movement Spreading Like Prairie Fire is Statement of Redmond.

Canadian Press Despatch. DUBLIN, June 9.—John E. Redmond, leader of the Irish Nationalists, issued a statement tonight in which he emphatically denies the reports that the Irish volunteer movement is hostile to the objects of the Irish party and adds: "Up to two months ago I felt that the volunteer movement was somewhat premature, but the effect of Sir Edward Carson's threats upon public opinion in England, the house of commons and the government and the occurrence at Curragh Camp, and successful gun running in Ulster, virtually altered the position and the Irish party took steps about six weeks ago to inform their friends and supporters that in their opinion it was desirable to support the volunteer movement. As a result it has spread within the last six weeks like a prairie fire and all the Nationalists in Ireland shortly will be enrolled."

PROROGATION OF HOUSE LIKELY TO BE DELAYED

OTTAWA, June 9.—It is possible after all prorogation may not take place this week. The government has still hopes that a compromise regarding redistribution will be effected and that the bill will be introduced this session. The feeling is that after spending so much time on the question, and having settled every constituency, except two, namely, Russell and Richmond, it is a pity to have all their efforts go for naught. But, even if the redistribution bill is not introduced this session prorogation is not expected before Saturday.

FEAR RIOT AT WESTMINSTER

LONDON, June 9.—King George and Queen Mary were able to enjoy the brilliant state ball at Buckingham Palace tonight as there was no interruption by suffragettes, thanks to the rigorous police precautions which had been taken.

There is every prospect, however, of a renewal of the oft-repeated scenes at Westminster tomorrow when Sylvia Pankhurst and other militant leaders will march with a bodyguard of their supporters to demand an interview with Premier Asquith.

WHERE WILL THEY SWIM?

Several thousand boys and girls in Parkdale and the York Loan district are without a swimming place since the "improvements" were made at Sunnyside. The old bathing houses have disappeared, it is against the law to cross the railway tracks to get to the water, and the young people of the west end evidently will have to go some place else to bathe unless the city provides a place at Sunnyside.

CHURCH UNION NEGOTIATIONS UPHELD BY LARGE MAJORITY REV. DR. GRANT URGED DELAY

Final Decision Will Rest With Presbyterian Congregations by Terms of Resolution Adopted After Defeat of Minority Report—Discussion Was Acrimonious at Times.

By a Staff Reporter. WOODSTOCK, June 9.—By a vote of 285 to 109 a majority of the Presbyterian general assembly this afternoon adopted a resolution in favor of continuing for two more years negotiations with the Methodist and Congregational churches in the cause of church union. The motion embodied a request that the Methodists reappoint their union committee which was dissolved last year and demand a vote of the congregations.

Dr. Grant Will Not Resign

WOODSTOCK, Ont., June 9.—The committee of the Presbyterian assembly, which has been conferring with Dr. A. S. Grant, concerning his resignation, has not been able to persuade him to change his mind. It is expected that his resignation will be formally dealt with by the general assembly tomorrow morning.

WORDS OF PRAISE FOR RETIRING PRESIDENT

John G. Kent Honored by Associates and Prominent Citizens Who Complimented Him on Good Work Done for the Exhibition, and Gave Him Sterling Silver Tea Service.

The exhibition as a means of paving the way for a Greater Toronto was urged by speakers last night at the Canadian National Exhibition Association's banquet to John G. Kent, the association's retiring president.

ARRESTED IN ATTEMPT TO ENTER LIQUOR STORE

Jerry and Thomas Long of 50 Mansfield avenue, were arrested at 1:30 a.m. today while trying to break into Bright's liquor store at the corner of Carr street and Augusta avenue. Two companions escaped. The arrests were made by Policeman Ironsides (508).

TENT SEARCHED OFFICERS OUT

LONDON, Ont., June 9.—It is reported here that all the officers of the Sixth Field Battery of this city, which is in camp at Niagara, will hand in their resignations to Col. Hodgins D. O.C. of London, on their return to the city on Saturday, as a protest against their tents being searched for liquor at the Falls.

BOYS KILLED WHILE BATHING

Two victims of grasping live wire—third lad escaped with slight burns.

PORT COBORNE, Ont., June 9.—Two boys named Wm. Archer and Fred Brennan were either drowned or electrocuted here tonight. The boys were in bathing when three of them grasped a wire in play. The wire being charged the two boys fell back into the water. The other boy escaped with a slight burn on the hands.

THE FARMERS' BANK EPISODE

The defeat of the Farmers' Bank relief bill in the senate has been the sensation of the season; and the outstanding feature in that defeat is the fact that ten government supporters led off in voting against the proposed relief, headed by an ex-Conservative prime minister—Sir Mackenzie Bowell—and including four members of the senate recently appointed to that body by the Borden government.

What effect, if any, will the defeat of the Farmers' Bank bill by the senate have upon the present provincial campaign? By common consent federal issues have up to this time been excluded from the provincial arena. The Whittaker government prefers to stand upon its own record, and to appeal to the people upon provincial issues. The Liberals, naturally enough, being in a minority, and having a moral issue so closely drawn to the present contest. But it must be noted that a good many candidates this year are running their own campaigns to suit themselves without much regard to headquarters. We have already drawn attention to the singular situation in Essex and now comes Mr. Doughty, the Conservative candidate in Riverdale, and pledges himself to support Mr. Rowell upon practically all the issues which divide the two parties in the present campaign.

The bilingual school issue is cutting considerable figure in many districts, altho we hear little about it. Other issues are, no doubt, being raised in certain localities, and it may be that some opposition candidates will seek to reap advantage from the irritations which must have been aroused in many quarters by the curious fate which befell the Farmers' Bank bill at Ottawa.

Mr. Borden affirmed the obligation of the country to recoup the depositors of the bank in a formal statement he delivered in the house in June, 1913. That statement bound the government to bring down a bill at the next session to reimburse the depositors. Accordingly, at this session, a bill was introduced, altho late in the season, and was put thru the house as a party measure. While it was under discussion, however, the assembly heard on every side was to the effect that the bill would be killed in the senate with the aid and consent of the government.

So seriously was the charge repeated that Major Sam Sherris took A. K. Macleod of Halifax severely to task for circulating a rumor that Conservative senators, and even Conservative members of the house were canvassing against the final passage of the measure in the upper chamber. He said that the accusation was tantamount to saying that the Conservatives in office were playing fast and loose with the depositors, and praying upon their necessities, and praying upon their anxieties.

The vote in the senate shows that ten Conservative senators voted to kill the bill, including Senators Cory, Laurier and Murphy, who were but recently appointed by the present government. The argument will, of course, be made, however unjustly, that duplicity was practiced by the powers that be, and that the bill thru the house was mere stage play. As matters have turned out, it would have been better for the government to have done nothing at all.

Politicians are asking what effect all this will have upon the coming general election. It is the impression that he is being doubly crossed? To protest even deeper into the matter, the senate's disapproving party, as usual, the senate and thus a big lot of Conservative campaign ammunition is "conceded."

In a moment the senatorial vote is rehabilitated. Liberals denounced it in the first days of the Laurier administration as Conservative denouement a year ago, but now Liberal and Conservative senators united in branding the "excesses" of the chamber representing the people. In this respect, the senate's disapproving party, as usual, the senate and thus a big lot of Conservative campaign ammunition is "conceded."

Offering a toast to the Ontario Legislature, Mayor Hocken laid particular stress on the importance of the exhibition as an educational factor in Canadian life. He declared his inspiration to the child in creating a desire to learn of the country and its products and as an educational factor in the fair fostered British-Canadianism and love for the British Government and overseas dominions, which, he said, was necessary in maintaining the unity of the Empire.

CRUSADE TO ABOLISH THE BAR HAS APPROVAL OF ASSEMBLY ACTIVE SUPPORT IS PLEDGED

By a Staff Reporter. WOODSTOCK, Ont., June 9.—The following recommendations contained in the supplementary report of the committee of social service and evangelism were passed at the conclusion of tonight's session of the Presbyterian assembly.

The assembly instruct the board and its officers to co-operate with others in pressing for the complete suppression at the earliest possible date throughout Canada of the traffic in intoxicating beverages.

Commend the social service council of Canada for the institution of a campaign of education and total abstinence in the coming winter in which the Rev. J. Patterson of Belfast is to take a leading part.

Instruct the board to endeavor to secure new activity on the part of the Dominion council of the Dominion alliance, and if it should be found necessary to co-operate with sister bodies in forming a new organization which will aggressively lead in efforts for the securing of Dominion-wide prohibition.

That the assembly express their gratification at the rapid advancement in temperance sentiment as shown by the present position of the question and urge all ministers and congregations throughout the Dominion to set principle before party and to support by vote and influence in the assembly this movement for the immediate abolition of the open bar.

The assembly deeply regret that the Dominion government has not introduced in parliament, as urged by all the churches and the organized labor and agricultural forces in Canada, the Government Criticized.

By a Staff Reporter. WOODSTOCK, Ont., June 9.—The following recommendations contained in the supplementary report of the committee of social service and evangelism were passed at the conclusion of tonight's session of the Presbyterian assembly.

C.N.R. BILL GIVEN THIRD READING IN SENATE

Thirteen Liberals Aided Passage of Bond Guarantee Measure and Only One Conservative Was Vigorous in Denouncing Legislation.

OTTAWA, June 9.—The bill to give effect to the agreement which was entered into between the government and the C. N. R., whereby the government will guarantee the bond issue of that railway, which is necessary to raise funds to complete the system, and in return for which the government receives a forty-million dollar interest in the Mackenzie and Mann hundred million dollar enterprise, passed the senate today. The bill was given its third reading by a vote of 58 to 26.

The majority was not so great as that by which it gave a second reading, it being then 41 to 7, and probably this is accounted for by the fact that Senator Choquette made a violent speech in condemnation of those Liberals who had voted with the government.

Thirteen Liberals voted in favor of the bill on third reading. They were Senators Borden (Liberal leader), Mitchell, David, Ross, of Moose Jaw; Murray, Frost, Thibaudeau, Edwards, Derbyshire, DeGhen, Young, Watson and Talbot. All the Conservative senators voted in favor of the measure except Senator Montplaisir. He is one of the oldest members of the upper house, having been appointed to the senate in 1861 by Sir John Macdonald.

Four Liberals who voted for the bill on the second reading, but voted against it on the third reading, were Senators Fleet, Beth, Desautels and Raitt.

The analysis of the vote, therefore, in that 13 Liberals and 26 Conservatives voted for the bill on third reading, with 11 Liberals and one Conservative voting against it.

In the above estimate, Sir Lynne Melvin-Jones is counted as a Conservative. He has voted with the government.

STRAW HAT TIME

The fact that the Dineson Company have the most complete assortment of imported Straw Hats for men in Canada is sufficiently proved by the enormous increase there has been in their business this season over the business of former years.

Of course Toronto is growing, and all successful businesses show an increase. But the hat business has been subjected to more competition and wider claims from retail hatmakers than ever in the history of the trade.

Nevertheless the Dineson business has grown on all sides. They supply hats to customers they never had the pleasure of selling to before, and as well as those they have all their own old customers, who would never go to any other hatmaker.

Straw Hats, Panama, Soft Felt, Cloth Hats for outing—every phase of the weather has its suitable hat, as well as hats for men. You can get mustaches and caps, suit cases, etc., etc. Dineson's, 140 Yonge street.
