MORE CONCESSIONS TO ULSTER IN AIR

(Continued From Page 1.)

A number of consequential amendments were agreed to, including one reducing the number of Irish members at Westminster from the home rule area from 19 to 17.

The most animated discussion of the evening took place on Lord Macdonnell's scheme of "home rule within home rule."

Lord Bryce objected to this scheme as one which did not appeal to the Ulstermen themselves. It was approved by Lord Curzon and also by Lord Courtney. The latter made an impassioned appeal to the Ulstermen to accept it. "We are in rather a mess now," he admitted, "owing to miscalculation on the part of the government. They miscalculated the strength of the opposition that prevailed in Ulster." Some heat was imported into the debate by the lord chancellor, who charged the Ulstermen with not looking beyond the party view of the moment. He asserted that in the view of the government home rule was the only solution, but said they felt that the dangers of carrying that solution must be met and the bill was an attempt to meet them.

Lord Curzon vigorously protested against the tone of the lord chancellor's speech. He pointed out the present situation arose from the procrastination of government and from the inability to see things in the right light.

Speaking as a home ruler, Lord Weardale announced he had reluctantly come to the conclusion that the exclusion of the whole province of Ulster was the only thing going to bring peace.

The annual picnic and excursion of St. Joseph's Church will take place on Wednesday, July 28, to Grimsby and back, the boat leaving Yonge street at 8.15 a.m., returning at 1.15 p.m.

Mr. and Mrs. John A. Ramdén announce the engagement of their only daughter, Florence Ethel, to Mr. Edgar Benjamin, Toronto (formerly of Northbrook, Middlesex, England). The marriage will take place quietly in August.

AGENT OF CARPENTERS TAKES FOREMAN'S JOB

After being one of the most prominent figures in local labor circles for more than three years, Morley C. Clark will leave the Labor Temple to-day, where he has been secretary for the Carpenters' District Council and the Carpenters' Brotherhood of Carpenters and after a fishing trip down east, will take up a position as foreman for a large contractor. When he combined the duties of the two positions, he was able to handle a membership of less than 1000, and they have now more than 2000 active members enrolled. Wages have considerably increased and working conditions have improved.

Mr. Clark will be succeeded by Geo. Thompson, who has been active in local labor circles for many years.

RUSSELL WILL SPEAK

Charles Edward Russell, author and magazine writer of New York, who was the Socialist candidate for governor of that state at the last election, will address the Toronto Social Democratic League at their annual picnic, which will be held at Victoria Park, Niagara, on Saturday. Controller Simon and other prominent Socialists will also address the guests, and a team of Toronto Socialist baseball players will meet a team of New York Socialist players during the afternoon.

No waiters appear in the dining room of a new French hotel, the guests telephoning their orders to their tables, to which the food is delivered from a kitchen below by electric elevators.

When a hydro-aeroplane was taken into Swedish waters a submarine boat dived under it and brought it to shore unharmed.

The proposal he put before the house was, shortly stated, that as Ulster council should be constituted with administrative control within the province of education, local government, agriculture, technical education, and at the same time Ulster should be represented in the Dublin parliament.

Appeal to Unionists.

Lord Curzon objected to this scheme as one which did not appeal to the Ulstermen themselves. It was approved by Lord Curzon and also by Lord Courtney. BIG PROPORTION OF CHINESE SMUGGLED IN UNITED STATES

Boston Centre of Big Operations in This Enterprise—It is Recommended That All Celestials Be Registered and Given Certificates.

BOSTON, July 8.—Many Chinese of the working class have been smuggled into this country through this port, according to a statement issued tonight by the federal commission on industrial relations, which finished a three-day investigation here. Fully 30 per cent. of the Chinese in this country are believed to be here illegally, the commission stated.

"Great inactivity on the part of the local immigration officials" was given by witnesses who appeared before the commission, as one reason for this condition, the statement said. It was added that the number of contraband Chinese is increasing steadily by virtue of smuggling operations, in which whites, as well as Chinese, are interested and are carried on the Canadian and Mexican borders.

The commissioners recommended that all the Chinese now in this country be registered and that certificates be issued to them and that special crews of inspectors be employed and empowered to arrest any Chinese without such credentials.

PLEDGES SUPPORT TO CAUSES ADVOCATED BY HIS FATHER

Canadian Associated Press Cable.

LONDON, Thursday morning, July 8.—Austen Chamberlain issued the following address to the electors of West Birmingham yesterday: "I have accepted the invitation of the Unionist associations of this division to become a candidate for the representation of the constituency so intimately associated with my father's name, and with his whole public life. I seek your suffrages in order that with your help I may do what my lies to advance the causes for which he lived and gave his life, to make our people happier, our nation greater, our empire more united, and to make the objects of his public service. I humbly offer whatever I can bring to the service of the same. I have not met people whom he loved."

The labor party did not contest the West Birmingham bye-election as it falls so closely upon the death of Joseph Chamberlain, but it adheres to its original intention of fighting for the seat at the general election.

SEEK TO SET ASIDE ELECTIONS IN LONDON AND E. MIDDLESEX

Canadian Press Despatch.

LONDON, Oct. 7.—Steps are to be taken to have the recent elections in East Middlesex and London set aside, according to report. It is charged that the residents of the two constituencies voted illegally thru the edict of the attorney-general's department, whereby the recently annexed districts of London were included in East Middlesex in the balloting. Sir Adam Beck won in London over W. J. Stevenson, M.D. (Liberal), and John D. Jacobs (Labor), with John McFarlan (Conservative), the winner in East Middlesex over John W. Laidlaw, Liberal candidate.

The Liberals, it is reported, will seek to have by-elections held in both constituencies.
