The Quarter Back Has Plunged Into the Game With Indomitable Force

If you were here Thursday you know how the clothes buyers of this town backed up our "Quarter Back." They entered the game with as much vim, dash, and enthusiasm as the "Quarter Back" himself. You saw how they tackled the bargains and how everyone who secured these savings considered them personal triumphs. If you were not here get into the game at once. For your benefit we'll say that we have a good strong line to go up against, and, while we have done some terrific smashing, it still holds up a good front, and it is up to you to take your whack at it while the most desirable things are still here. Do not miss this great opportunity for powerful clothes savings. Nothing like it has ever struck this town.

Come in if only to get the thrill. You'll be tempted to buy—but not urged

He Puts His Shoulder to These Fine Suits

When you see how these magnificent suits are being ruthlessly sacrificed to clearance you will understand the determination with which we have entered into the game. The backward season, and far from normal trade conditions, has left us with much more merchandise to clear than in former seasons. Never before have such good suits been humiliated by such ridiculous prices. Desperate cases need desperate remedies. Accordingly we are bringing the full force of price-cutting to bear on this Clearance Sale. Get the benefits.
