A REVIEW OF BRITISH DIPLOMACY AND ITS FRUITS:

"THE DREAM OF THE UNITED EMPIRE LOYALISTS OF 1776."

(From the St. James' Magazine and United Empire Review.)

"This England never did, nor never shall, Lie at the proud foot of a conqueror, But when it first did help to wound itself.

Come the three corners of the world in arms,
And we shall shock them. Nought shall make us rue,
If England to itself do rest but true."
