

## Features of the R.C.J.

---

1. The Staff consists of 10 qualified and successful teachers, each department being under the charge of a Specialist.

2. The attendance this Fall is 310, of which 165 are county pupils and 12 are from outside counties.

3. 85 pupils from outside Renfrew board in town and 70 come into town on the trains.

4. No fees are charged, except in the case of pupils from outside counties, who pay \$25 a year.

5. The Science Laboratory is well equipped for practical work and the Commercial Department has four Underwood typewriters for the use of students.

6. There are three main courses provided for—a Teacher's Course, preparing for all grades of Teachers' certificates; a Matriculation Course, covering as far as the end of the first year work of the Universities; and a Commercial Course (two years), preparing for business life and for the Civil Service.
