

T. & T. CLARK'S PUBLICATIONS.

BY THE REV. W. L. WALKER.

Christian Theism and a Spiritual Monism. God, Freedom, and immortality, in View of Monistic Evolution. Second Edition. Demy 8vo, 9s.

'A valuable contribution to Christian thought and a real help to Christian faith, and in all respects a work worthy of the author's already high reputation among theological writers.'—*Examiner*.

The Spirit and the Incarnation. In the Light of Scripture, Science, and Practical Need. Third Edition, Revised and Re-set. Demy 8vo, price 9s.

In a leading article, headed 'A GREAT BOOK,' in the *British Weekly*, Dr. MARCUS DONS wrote: 'It may be questioned whether in recent years there has appeared, at home or abroad, any theological work more deserving of careful study. He who intelligently reads it once will inevitably read it again and again.'

The Cross and the Kingdom, as Viewed by Christ Himself and in the Light of Evolution. 8vo, 9s.

'We desire to speak with admiration of the good work done in this book. It is worthy to stand beside his former treatises. Taking both together, they form a magnificent contribution to the theological literature of the age.'—Principal LYERACH in the *Expository Times*.

What about the New Theology? Second Edition. Post 8vo, price 2s. 6d. net.

'Of the three books which lie before us, we may—and indeed must—say at once that only one (Mr. Walker's) strikes us as being in any sense a contribution to the subject. In reading his pages we have the sensation that this is no partisan or retained pleader, but a Christian thinker solely and entirely concerned to elucidate the truth to the best of his ability.'—*Christian Commonwealth*.

The Teaching of Christ in its Present Appeal. Second Edition. Crown 8vo, 2s. 6d. net.

'Mr. Walker, well known by his other great books, has written a really helpful, edifying, and inspiring little book. He brings us into the very room where Christ is. We hear His voice.'—*Expository Times*.

The Gospel of Reconciliation; or, At-one-ment. Post 8vo, 5s.

The Knowledge of God and its Historical Development. By Professor H. M. GWATKIN, D.D., Cambridge. Second Edition. Two vols., post 8vo, 12s. net.

'These two volumes will rank with the greatest modern contributions to theological thought. In the judgment of the well informed the name of no modern scholar stands above that of Professor Gwatkin. . . . It would be impertinence to praise this book. It is better to give thanks for it. As a manifestly frank discussion, first of the possibility and then of the probability of a divine revelation, "The Knowledge of God" will long hold a foremost position in the library of apologetic literature.'—*London Quarterly Review*.

The Gospel History and its Transmission. By F. CRAWFORD BURKITT, D.D., M.A., Norrisian Professor of Divinity in the University of Cambridge. Second Edition. Post 8vo, 6s. net.

'Professor Burkitt has done a great service by his new book, he has imparted a surprising amount of freshness to old themes. His book is delightful reading. It rests on close observation of details vividly conceived; and yet the selection of points is so admirable, and the touch so light and rapid—never a word wasted, and always, as it would seem, the happiest word chosen—that the reader is carried over subjects that he will be apt to think of as dry and severe with the ease and zest of a romance.'—Professor W. SANDAY, D.D., in the *Expository Times*.
