

**DURING the FIRST WEEK of MAY,**  
**WILL BE PUBLISHED,**  
**A NEW MONTREAL TRI-WEEKLY PAPER,**  
**“The Northern Despatch.”**

**PRICE:—\$4 a-year, payable half-yearly in advance.**

~~~~~

THE NORTHERN DESPATCH will be edited and published by an Irish Catholic layman, who has been many years connected with Canadian journalism, and who will endeavor, while catering for all who may patronize the paper, to discourage every evil influence which may retard the growth of the Province, or injure the best interests of its chief city, by arraying class against class and creed against creed in anti-social organisations or controversies.

The character of the paper will, it is felt, be best set forth in its own columns, and the object of the present Circular is simply to announce the fact of its appearance, to indicate its general purpose, and to ask your co-operation and that of your friends, in giving it a suitable start.

Please address your reply, on or before the 20th instant, to “*The Publisher of the Northern Despatch, box 807, P. O., Montreal.*”
