PRINCIPAL SLATER DEAD.

Well Known School Teacher Succumbs After an Operation.

One of the best known teachers in the city schools died yesterday in the person of Joseph T. Slater, late principal of Bolton-avenue school. Death followed an operation performed last Wednesday at the Western Hospital. His vitality was not sufficient to recover from the shock.

It was only at the last meeting of the board of education less than two weeks ago that Mr. Slater was superannuated with a retiring allowance to take effect at the end of the year. He had been for 25 years in the service of the public schools of Toronto, having for many years been writing master. He was then appointed principal of Bolton-avenue school, where he had the love and respect of staff and pupils alike.

Mr. Slater was born in Burtonville, Markham Township, Dec. 3, 1844. Entering the teaching profession he had schools at Prince Albert, Campbellford and Owen Sound before coming to this city. He was a prominent member of St. Andrew's Masonic Lodge, being a past master and for 10 years secretary. He was also a past master of L.O.J. No. 175, and a member of Torbay L.O.L. He is survived by a widow, formerly Miss West of Thornhill; two brothers, Jonathan of Burtonville and Benjamin of Attica, N.Y.; and two sisters, Miss Slater, a public school teacher, and Mrs. McIntosh, widow of the late Rev. M. McIntosh.

The funeral will take place tomorrow afternoon from the residence, 2 Hogarth-avenue, Riverside, to Mount Pleasant, and will be under the auspices of St. Andrew's Lodge.

HAMILTON DEATHS.

Hamilton, Nov. 25.—(Special.)—David Hastings, proprietor of The Dundas and Dundas, died at his residence, 10 Dundas-st., at 10 o'clock, after a long illness. He was 68 years of age.

PALE FACED GIRLS

Thousands Using Successful Cure For Pale Faces and Anemia.

The pallid girl always lacks appetite. What little she eats is badly digested. At night she is restless, she does not sleep soundly. Vital force must be increased, new blood must be supplied and a general rebuilding take place before she will feel like she ought.

Dr. Hamilton's Pills begin by cleansing the system and purifying the blood; they also improve digestion and render good ready for absorption. Additional nourishment is quickly supplied and the patient is fast strengthened and invigorated.

STURGEON FALLS SCOURGED PRINCIPAL BLOCK BURNED

Loss \$40,000 With Insurance of \$13,000—Family Rescued in Night Clothes.

Sturgeon Falls, Nov. 25.—(Special.)—The progressive town of Sturgeon Falls was scourged by fire early this morning and the principal business block of the town is now a mass of smouldering ruins.

About 3 o'clock Electrician Wm. Young noticed a blaze in rear of the McArthur block on King-street, and at once turned in an alarm. Although the fire department responded quickly the block was in flames and beyond saving when the water was turned on.

Neil McArthur, owner of the block, occupied part of the upper portion of the building, and his family were rescued with difficulty in their night-robes without time to save anything. The attention of the firemen was given to saving the surrounding buildings and by hard work the Lillie and Parliament blocks were saved, although damaged considerably by fire and water.

The entire business portion of the town was in danger of being wiped out, but fortunately the wind was favorable and the fire area was confined to the McArthur block on King-street, and a building on William street, besides sheds and stables.

The fire is supposed to have started in a Westman's bakery, but the cause is a matter of conjecture. The loss will reach \$40,000 with insurance of \$13,000, divided as follows: Neil McArthur, plumber, loss on building, household effects and stock, \$17,000; insurance \$5,000; F. S. Thomas, jeweler and jeweler, loss \$10,000; insurance \$5,000; G. H. Weightman, baker and confectioner, loss \$1,500; no insurance; W. J. Roche, hardware, loss \$400; no insurance; J. L. Baker, tailor, loss \$5,000; insurance \$2,000; Miss Pleson, music teacher, loss \$500; insurance \$200; Robt. Lillie, hardware, loss \$200; covered; W. Parliament, grocer, loss \$1,000; covered.

The insurance companies affected are: Anglo American \$1740, Merchants \$1000, Standard \$1000, York Mutual \$1500, Montreal-Canada \$1000, Wellington \$1000, London Mutual \$1000, Standard \$1000, Traders \$500, Atlas \$2000, Manitoba \$750.

TROUBLE ON MONTREAL DOCKS

Longshoremen's Ass'n Promptly Yields to Strikers.

Montreal, Nov. 25.—(Special.)—Trouble broke out on the docks on Saturday, but owing to the conciliatory attitude adopted by the officials of the Longshoremen's Association, the difficulty was amicably settled, and the men will receive 50 cents an hour until the close of navigation.

The discharge of a walking boss was the commencement of the trouble, his place being filled by a workman connected with the shipping federation. Objection was taken to the man, and the members of the association refused to work unless he was discharged and the old walking boss reinstated.

The difficulty was referred to the officials of the Canada Pacific Steamship Company, and after explanations the demands of the men were granted.

The C.P.R. liner Lake Manitoba, which will leave to-morrow, will be the last seaward this season.

HIS MONEY DISAPPEARED.

Young Man From Gravenhurst's Adventure on York St.

Fred Hubbard, residing at 238 East King-street, came in from Gravenhurst last week to get a job in Toronto, and while looking at some cheap watches in a York-street second-hand store was approached by a stranger. The newcomer asked the lad if he was a citizen, and receiving a negative reply, told him to get out for his valise, as the city was full of bad men. Hubbard had his pile, \$6, tucked in his vest pocket. When he went to pay for his dinner the money was gone.

After the riots of Saturday night the city is comparatively quiet to-night. The cars were taken in about 10 o'clock, and while they were being moved with stones there were no organized attacks upon them. The streets in spite of all the warnings were filled with the usual Sunday night crowds, but everybody kept on the move, and there were no disorders to speak of in the central part of the city, though several hurried calls for the police from the car barns. The soldiers did not have to be called out to-day.

MR. DRYDEN'S APPOINTMENT

Freeman's Journal Says Canada Has No Such System.

(Canadian Associated Press Cable.) London, Nov. 25.—The Dublin Freeman's Journal criticizes Mr. Dryden's appointment to the technical education and agricultural commission. Quoting a recent article in The Montreal Star it remarks he represented a country with no such system of its own.

A writer in The Journal points out the danger attending the removal of restrictions on the importation of Canadian sheep cattle, which would involve substituting buttermaking for the calf-rearing industry. Canada went for cheese making, and this would injure the Irish summer dairying as seriously as Australian dairying has already injured the winter dairying.

The Fire Record.

The fire department was called out to Peter Lemante's frame building, 99 West Queen-street, Saturday night, and succeeded in saving one of those picturesque buildings that have been talked of so much since the erection of the magnificent city hall. The damage to contents was \$10, and to the building \$8.

TROOPS WITH BAYONETS

Continued From Page 1.

the strikebreakers and detectives stood inside and insulted the crowd. At the inside of Walnut and King-streets a brick knocked the trolley off and the car was stopped. From the new Victoria Hotel opposite a shower of bricks came pouring down.

After the Fray. Half a wagon load of brick bats and stones was picked up on the street after the riot. The soldiers and police raided several stores. The Arcade was cleaned out and another raid was made on McDonald's pool room.

Col. Denison said that he was struck by a stone from an alleyway near the building, and the police rushed in and used their batons on every one in the place, throwing them out onto the streets to get battered about by other officers on the outside.

Several aldermen, amongst whom was Ald. Allen, viewed the fray from the city hall steps. They were worked up to such a pitch that Ald. Allen made a speech calling upon the common council to hold a special meeting to force the strikers to get back to work. It was about 10 o'clock when the cars were taken in. They were not operated after the fuss on the corner of King and Walnut streets.

As a sample of the way the police acted, J. Merrick, a Toronto traveler, stepped out of the Royal Hotel to get into a cab he had called to take him to his room. He was stopped when he reached the pavement when he was struck down by a policeman.

Judson Ryerson, 297 North Wellington-street, was arrested for assaulting Col. Denison. He with Clarence Ryerson, was driving up James-street. Col. Denison told them to turn back. Judson Ryerson struck the colonel over the head with the whip, and then started off with his horse on the gallop. The colonel stopped him and both men were taken to the police station.

The police and soldiers made thirty-two arrests, but only twenty of the prisoners are charged with riotous conduct. They are: Clarence Ryerson, 211 North John-street; Judson Ryerson, 297 North Wellington-street, charged with assault on Col. Denison; Cecil Smith, 19 years of age, 236 North Victoria-avenue; Joseph Carson, 30 years of age, 94 North York-street; John Oliver, Fairmount-avenue; Archie Fair, 17 East Murray-street; Norman Todd, 299 North John-street; C. Hoover, 15 Huron-street; Thomas Crowe, 204 Mary-street; Thomas Champ, 29 Steven-street; Fred Fisher, 299 North John-street; Marriott Roy, 127 South John-street; John Swallow, 143 Grant-avenue; Henry Hyde, 27 Vine-street; Joseph Clark, 299 North John-street; J. Blair, 423 Mary-street, charged with assault by Col. Serget. Gilmore; James Moran, Bethel Mission, Arthur Smith, 299 North John-street; George Phillips, 75 North Wentworth-street; Newton Mathews, 30 Cheever-street; King's Bay, who accompanied the Tammany Tigers.

Ball was refused for all the prisoners, and they spent the night in the jail.

Col. Denison's Regret. Col. Denison complained to the police on the way they acted, and said his only regret was that he had not used their batons more freely. He issued the following statement: "I assumed the position that after the riot Act is read no respectable, law-abiding person will be found on the streets at night. I am sure that I will have to take their chances. If we are called out to-morrow we will clear the streets at any cost, and people for their own safety had better be in their own homes. The antagonism shown by seemingly good citizens to the requests of myself and other officers is a matter of which I am ashamed, and I fall to see where there is any justification for such a course. I am sure that you will realize the consequences of not observing the law after the riot Act is read."

Mayor Reports Magistrate. Mayor Biggar called upon Magistrate Jelliffe to instruct the soldiers, to give instructions when they were to fire, as they cannot fire except in self-defence unless they are ordered to do so from a justice of the peace. The magistrate refused to act in that capacity, and told the mayor to do it himself. The mayor reported him to the attorney-general's department.

After the riots of Saturday night the city is comparatively quiet to-night. The cars were taken in about 10 o'clock, and while they were being moved with stones there were no organized attacks upon them. The streets in spite of all the warnings were filled with the usual Sunday night crowds, but everybody kept on the move, and there were no disorders to speak of in the central part of the city, though several hurried calls for the police from the car barns. The soldiers did not have to be called out to-day.

The list of Saturday night's casualties is very long. Constables Hallisey and Barrett were both laid out with stones. Mr. J. L. Barry, the new tenant of the after-the-theatre parties, is not necessary to state that the approval of the public will be that the grill will be open on Sunday. Mr. McCaffrey believes his patrons should be given an opportunity to eat on that day as well as on the other six.

The goods served will be the best the markets afford, and will be cooked and served by people who know their business. All who have had an opportunity of inspecting the improvements are sanguine that Mr. McCaffrey's efforts to provide a high-class place at popular prices will be appreciated.

DUG UP BABE'S BODY.

Dr. R. J. Wilson will hold an inquest at the morgue this afternoon on the body of an infant disinterred by a workman digging a drain at the corner of Gerrard and Marjory-streets Saturday afternoon.

Easy Game.

Peterboro, Nov. 25.—Two sons of Hiram Kilusky of Montague had a big streak of luck while out hunting deer one day last week. They came across two bucks with their horns locked, and of course, despatched both of them. They weighed over 200 pounds apiece.

At the Humane Society's conversation in the Normal School to-night, the lieutenant-governor will preside, and there will be songs by Mr. H. J. Leahy, the new tenant of the after-the-theatre parties, is not necessary to state that the approval of the public will be that the grill will be open on Sunday. Mr. McCaffrey believes his patrons should be given an opportunity to eat on that day as well as on the other six.

most of others. Constables Smith, May, Reynolds and Hill were all wounded.

To-day the authorities ordered all the contractors who are doing work on new buildings on James and King-streets to halt away all loose stones and bricks. There was a big pile taken away from the Bank of Hamilton building. A crowd got under the shed that is erected around the bank building on Saturday night and stoned the soldiers until, Col. Denison says, he was on the point of firing into the crowd.

Frederick Fitzgerald, who was in the Dragons, and one of them became unmanageable and backed thru a plate glass window of the bank building. Late to-night the armories, in which the soldiers are quartered, were stoned. A big gang gathered at the southeast corner of the bank building and shattered the windows. The police were called out, and they arrested the following on the charge of being disorderly: Alfred Bailey, 138 Princess-street; Thomas Wilson, 157 East Simcoe-street; Robert Speers, 862 North Ferguson-avenue.

Frank Fitzgerald, the man who was assaulted by a strike-breaker, was reported to be somewhat improved to-night. The policemen began to realize to-day that the soldiers turned a new trick on them. The military officers ordered the police to use their batons on the crowds, and then they kept their own men from doing anything of the kind, except when hard-pressed. While a majority of their comrades kept their heads and are very sorry for what happened.

A HIGH-CLASS GRILL.

Elaborate Restaurant Opens To-Day at the Bay Tree Hotel.

One of the coolest, best fitted up and furnished grill rooms, lunch counters and restaurants in the city will be opened to-day. It is situated at Bay and Adelaide-streets, and is a part of the many improvements that have been made by J. J. McCaffrey, the well-known proprietor of the popular Bay Tree Hotel.

No expense has been spared by Mr. McCaffrey to make this an up-to-date resort. The kitchen contains everything that a chef requires in the way of a modern range, broiler and steam-table.

The grill room is fitted up in a most elaborate style, at the same time there is nothing garish or cheap about it. The walls, half-way to the ceiling, are of weathered oak, the handsome staircases are of the same material, the tables, chairs, counter, chandeliers, and other decorations are in keeping.

The grill will be open until 11 p. m. every day. Special attention will be paid to the after-the-theatre parties. Another feature that will meet with the approval of the public will be that the grill will be open on Sunday. Mr. McCaffrey believes his patrons should be given an opportunity to eat on that day as well as on the other six.

PRESENTATION TO MR. HAGARTY.

At Friday night's commencement exercises at Harbord-street Collegiate Institute, a pleasing feature was the presentation to Principal Hagarty by J. L. Cox, on behalf of the several members of the staff, of a cut glass inkstand, with sterling silver setting. In making the presentation, Mr. Cox said it was as a token of confidence and congratulation in his appointment to his high position.

Canadian Institute Lecture.

Professor Ramsay Wright was the principal speaker at a meeting of the Canadian Institute Saturday night, and referred to the many interesting additions to the biological museum. These included a set of mammoth teeth found in the Klondike and presented to the Canadian Institute by Byron E. Walker. John Cowdrie, a university student, also presented some coral specimens gathered by him in the Bermuda Islands.
