Chicago to day 22,-New Ontario Fields-Church Wanted for East Toronto.

Secretary Rev. J. B. Kennedy; Rev. Ira Smith, London, and Rev. James Barker, Hamilton.

Reports were read from about one hundred mission churches, all showing the work of the denomination to be progressing favorably. There are about ninety students expecting mission work during the summer, for whom there are not more than sixty places unless they go to the Northwest. Messrs. Fox, McEwen and Dr. Goodspeed were appointed a stationing committee.

Appropriations to the amount of \$4000 were made for missionaries salaries. The deficit of the board amounts to about \$6000. Corsiderable discussion took place regarding the advisability of sending a missionary to the Klondike in conjunction with the American board. The feeling of the meeting was that it would not be advisable to take the step in face of fields opening up in New Ontario.

A deputation, composed of Messrs. Bessey, Fenton and Rev. Mr. Pody, waited on the board and requested co-operation in opening up a new church in East Toronto. The Baptists of that suburb have been meeting in the Y.M.C.A., but have grown so strong that a new church is needed.

The Executive of the board was authorized to make arrangements to take part in the Hamilton convention.
