A Submarine Boat Builder Ready to Destroy Santiago Mines,

And Then Try His Hand on Cervera's Ships.

Supplies at Santiago Already Cut Off -Army Officer Says There Is No Use in Landing Troops There-Spanish Cabinet Discusses a Proposed Note to the Powers.

New York, May 27 .- A special to the world from Havana, via Key West, says: Business at a standstill. Very few mercantile transactions are effected. Everybody avoids transactions, as it is publicly announced that all operations will be considered void. Most of the main business street of the city, are closing up. There is talk that some have been transferred nominally from their present owners, who are Spaniards, to Cubans, and former individuals, to avoid confiscation, which is generally scheme may be considered. cede to the demands of the United States, but the lower classes, who are daily instigated by Blanco, are fully prepared to meet all emergencies, and are, in fact, anxious that the American invasion should take place. Havana has been fortified to meet a land attack, and all the cavalny forces are concentrated in Havana province, and chiefly in the northern part of the province. Supplies are getting very scarce in Havana. The prices of goods are subject to hourly raises. Most articles have advanced in price from 15 to ! 35 per cent. Even well-to-do people deprived of some of the necessaries of life. As for the poor, they are deprived of everything, and are in the against his staying at Santiago. same box with the reconcentradoes. These last only pray for the return of ting out as quickly as possible and the "guardian angel," as they call making for Havana or those American MUST BE DISPOSED OF Clara Barton. These people are dying ports which are least fortified.

daily in great numbers. Rafael Fernandez Decastro, having bandoned the island with his family, has placed Montoro, Giborja, and Doltz, his autonomist colleagues, in a very critical situation, and they are using sentatives of the Cuban people in the autonomist party. Although loved and

respected before, they are now hated and despised. The general impression is that the existing condition of affairs cannot last long without an uprising of the lower classes, as the government compels the today had a chance to wave, fully 75 per cent of the population of Havana would take advantage of it. Many families are trying to get to the coast, as

American ships will take them off. A DREADFUL STATE OF THINGS. The Norwegian steamer Bratsberg, which left Sagua la Grande, Cuba, on May 20, arrived today with a cargo of although several are from Caibarien and Matanzas. Many of them were women and children. They report a dreadful state of things in Cuba, starvation and death staring all the poorer to be gaining in numbers daily. Many of the inhabitants had abandoned the

towns and villages and fled to the in-

PORTO RICO THE KEY. A special to the Press from Washington says: Gen. Schofield, who is giving the president the benefit of his experience and advising him upon military operations, holds that Porto Rico is the key of the West Indian situation for the present. He insists that Porto Rico must be taken before Cuba falls, or it cannot be occupied at all, as the war should end then. The president is said to be undecided, in the face of these conflicting views, about the line of action to pursue toopposed to occupying or attacking

Porto Rico at this time. A NEW SUBMARINE TERROR. New York, May 27.-The Press says: learned through success, but through J. J. Holland, builder of the Holland submarine boat, has gone to Washington with Col. C. F. Creecey, for

Gen. Schofield Claims Porto ed there, and, if necessary, proceed into the harbor and deal a few blows at Cervera's vessels. Mr. Holland declares that his plan to do this is entirely feasible, the boat is in shape and ready for the work, and he will about 24 hours before. It was believed about 24 hours before was his

> that Mr. Holland will ask of the secretary is the transportation of his vessel and men to Cuba. Once there he agrees to do the rest. squadron. Then, when the opportune noment arrives, probably just at dawn, the Holland will start on its mission. Before it comes within sight of the fortifications which frown on both sides of the entrance, it will sink beneath the surface of the water and steal quietly loward the main channel. When this withdrawing to a safe distance, disharge one or more of its submarine orpedoes among the mines. This is the initiative. the regular process known as countermining, which is similarly conducted. land believes that by this method the Sampson was killed. without great difficulty. He is pared, if necessary, after this task has been accomplished, to proceed in his craft underneath the water into the ships shelled the fort at San Hilario harbor and attempt to blow up one or while others reconnectered in Cardenas more of Cervera's battleships. If the Bay.

navy department has not another plan OF MANILA OFF SANTIAGO. New York, May 27.—A cable dispatch to the World from Madrid says: repitition of the Manila disaster at Santiago de Cuba is feared by every all kinds of violences and depredaif Admiral Cervera is left to fight against forces three times greater in numbers than his own. The uneasiness about the fate of that squadron, aemmed in at Santiago, has risen to the highest pitch. Notwithstanding, the official reports declare that Admiral Cervera's position there is secure, as he can defy all efforts of the American navy to enter the bay or to force a way past the batteries commanding the narrow channel at the entrance, public opinion is decidedly Some newspapers clamor for his get-
