The expression "extraordinary" seldom figures in our announcements. All the more forcible, then, this time. By dint of one thing and another, under-buying, etc., we are enabled to quote Wrapper prices, that must result in a quick clearing out. That is our object.

We won't stop to tell you "where" these goods came from, and "how" we can sell them at such prices. Here's the facts: Print Wrappers in dark and light colors, sizes from 32 to 40 bust, while they last at.....

Killed the Umpire!

Murder on an Alabama Ball Field.

Caused by a Close Decision—Were Friends Before the Game.

Pugilist Martin's Death Due to "Spasm of the Heart."

Wednesday's Baseball Score—Turf Events and Numerous Sporting Matters Chronicled.

BASEBALL.

KILLED THE UMPIRE.

Hayneville, Ala., May 4.—During an amateur baseball game yesterday, Frank McCoy, aged 18, hit a hot grounder to shortstop, who was slow in fielding it. McCoy reached first base at about the same time as the ball, and the umpire, Sam Powell, aged 19, declared him out.

McCoy called Powell a liar. The latter promptly knocked McCoy down and kicked him. The other players pulled Powell off, and a riot was narrowly averted.

A few moments later the difficulty was renewed, Powell advancing on McCoy with a bat. McCoy seized another bat and brained his opponent, killing him instantly. Five hundred people witnessed the tragedy, many women fainting. Powell and McCoy were good friends prior to the ball game. McCoy surrendered.

STRATFORD'S TEAM.

Here is Manager Popkay's team so far as secured: Herman Habel, of Grand Rapids, Mich., and Bert Miller, of Hastings, Mich., pitchers; Frank Spranger, Detroit, catcher; C. Gallagher, Pontiac, Mich., left field; John Handiber, Columbus, O., third base; Frank Hemphill, Greenville, Mich., center field; Fred Eddy, Rochester, N. Y., right field; Ed Egan, Detroit, second base.

ST. THOMAS WON.

About 400 people went to Atlantic Park on Wednesday to see the first baseball contest of the season. It was an exhibition game between the Flint and Pere Marquette team, of Saginaw, and the St. Thomas aggregation. Robb, Kellogg and Hardy were each given a

will be purely amateur, with the exception of a battery.

AT ST. THOMAS.

St. Thomas Times: Prospects for the season seem rosy. Salaries were undoubtedly lower than last year and patronage could be better. It certainly cannot be as bad as in Chatham, Stratford and Guelph in the early part of the season as it was in Saginaw, Bay City and Port Huron up to the time the old International went to pieces on July 9 last year.

The baseball players are beginning to arrive at St. Thomas. Infielder George Rust arrived from Little Falls, N. Y., and Alex. Hardy, pitcher, from Toronto. Pete Tibald came in from Detroit, and Busse from New Orleans. Glen Kellogg and Jack Sullivan, the new battery, arrived from Chicago. The diamond at Atlantic Park has been rolled with the steam roller, and is as smooth as a billiard ball. Being a skin-diamond, it was always fast, but now it is faster than ever, and infielders will have to be lively or else the ball will be away out in the meadow before they get near it.

FOR THE FANS.

The Buffalo papers predict the downfall of the Eastern League within three months.

Casey, in five games with Brooklyn, has made eight hits in nineteen times at bat, giving him an average of .421.

In all 54 balls were lost by being hit into the crowd at the game on Sunday in Chicago, at which there was an attendance of 26,000 people.

Toronto has never relinquished the lead, and today holds the premier position in the Eastern League race.

Manager of Atlantic Park Washington club, says he released Pitcher Frank Killen for no other reason than that Killen was receiving more salary than Washington club was able to pay a pitcher—\$2,400.

Von de Ahe's complaint against Robison and others did not contain enough facts to hold water, and will be thrown out unless he supplies some substantial cause within ten days.

"Ball players are training for a contest that lasts but six months, not an hour, such as boxing contests, and that's the reason I believe that the exercise for six months' work should be confined to afternoon practice after the season is under way," says Capt. Duffy, of the Boston.

In Tuesday's game at Pittsburgh, Gardner's hand was split; Bowerman was put out for wrangling with the umpire; O'Connor was escorted to the street by the coppers; several players caught small fines for talking back; and all this came with a ten-inning struggle for 50 cents.

FISTIC.

Manager Otto C. Flotto, of the Colorado Athletic Association, says that the Fitzsimmons-Jeffries fight will take place in Denver. He offered a purse of \$25,000, and received a dispatch from the principals requesting him to go to New York to arrange the details.

DEATH DUE TO OTHER CAUSES. Albany, May 4.—The autopsy held on the body of Frank Martin, whom it was supposed was killed in a prize fight at the White Hall A. C. Monday night, revealed the fact that the deceased's death was caused by a spasm of the heart. Frank McHenry, the other principal, was arraigned in the police court and committed on a charge of manslaughter, first degree.

Martin's seconds were bailed while McHenry's were sent to jail, charged with violating the provisions of the Horton law.

ON WOODBINE TRACK.

The Ontario Jockey Club will have to erect a tent or resort to some other extreme measure to shelter the horses that are coming every day. For the past five years the stabling accommodation has been insufficient, and this year it is being felt more than ever.

Belcourt, Nathaniel Dymont's pater, the only real likely-looking rival of the Seagram candidates, on her first appearance on the Woodbine yesterday created a furore by her thoroughly rare appearance. She is a beautiful type of a race horse. Dr. Andrew Smith's 2-year-old, by Stratford, and of Festival, surprised everyone, including her owner, by her excellent work. She was sent three furlongs with John O'Boyle's 3-year-old. She is one of the best-looking youngsters at the track. The best work was made by E. J. Richards's black filly Tamora; with Rideau she ran 5 furlongs in 1:07, and finishing the three-quarters pulled up in 1:22. The Hendrie

string of race horses from Hamilton are twenty in all, and Trainer White has charge of the lot. Martinus, Harvey, Liberton and the pater, today, Ladie, were the most admired by horsemen who got a glimpse of them. Charles Brown has left for New York with Populist, and will ride him in the thousand dollar stake at Morris Park on Sunday.

SLOAN NOT IN IT.

London, May 4.—At the second day's racing at the Chester meeting, Mr. Teddy's Uncle Mac, formerly Northallerton, won the Chester Cup of 2,550 sovereigns. Tod Sloan rode Sir J. Miller's Galashiel, 4 to 1, but was unplaced. Batt was second and Carnation third.

NOTES OF SPORT.

Sharkey says Fitz will win without trouble. Entries for the Windsor trotting meeting close on June 23, and for Highland Park on June 29. From inquiries received, Secretaries Hanrahan and Rans expect plenty of good horses.

Almost in Despair.

"My wife suffered with pain and distress from an affection of the throat, caused by impure blood. She was almost in despair of ever obtaining a cure, but finally procured a bottle of Hood's Sarsaparilla, and after taking six bottles of this medicine, she was completely cured." John Weckner, Galt, Ont.

That distress after eating is prevented by one or two of Hood's Pills. They don't gripe.

California has 40 mountains, the highest peaks of which are more than 10,000 feet above the sea. Colorado has 59 peaks, which are more than 13,000 feet in altitude.

A DINNER PILL.—Many persons suffer excruciating agony after partaking of a hearty dinner. The food partaken of is like a ball of lead upon the stomach, and instead of being a healthy nutriment, it becomes a poison to the system. Dr. Parmley's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open the secretions and convey the food partaken of into healthy nutriment. They are just the medicine to take if troubled with indigestion.
