### **UTILITIES OVERTAKE VETS AND WIN GAME** TWO GOALS TO ONE

Vets First To Score, But in Second Half Winners Run in Two.

This ordered replayed league fixture was staged on Carling Heights las night between Public Utilities and Vets, the former with their usual strong eleven, whilst the Great War Vets, who have some of their players on the injured list, were not quite out at their strongest. Utilities won, 2 to 1. Utilities won the toss and kicked off before an enthusiastic gathering of fans, taking the play into midfield. The Vets pressed, but Utilities' backs cleared, Hunt punting the sphere out in magnificent style. Utilities pressed, in magnificent style. Utilities pressed. Leigh getting the ball and centering to Dickson, who was not quick enough for Wilson, the Vet right back, who cleared well, that player, along with deared well, that player, along with his partner, Perkins, Sen., playing a good defensive game. Utilities got the sphere into the Vets' goal area, and Iceham took a shot for the goal which went rather wide. On the kickoff Utilities kept pressing, but the Vets' defence trio, Ireland, Wilson and Perkins, were in tip-top form.

Vets Press.

The Vets pressed, their forwards

The Vets pressed, their forwards showing good combination play and making many tries for goal, but failing to locate the net. Vets got a free kick near the Utilities goal, Marshall taking the kick, which Whitworth saved nicely, sending the ball out a little ways, and it was caught by Snellgrove who sent in a terrific shot past Utilities coalie, who could not have saved.

On the kickoff the Vets continued to press, but Utilities' backs cleared, and the halves sent the ball up into the other end of the field, and the forwards trying hard to score. The vets pressed, sending the sphere dangerously near Whitworth times without number. Mid-play ensued, the Utility backs in conjunction with their halves playing a great game. Warshall, the Vet centre half and captzin, who was playing a great game, sent the ball down the field. It immediately came back to the other end of the field, Wilson making a bloomer with Utilities nearly scoring.

Smith took a pass, but his shot was

a little too high. Mid-play ensued,
with Utilities forcing the game into
their opponents' territory and forcing
a corner, Earrett taking the kick-off. which was well taken, but not taken advantage of. When the referee tooted his whistle for half time the score stood, Great War Vets 1, Public Utilities 0. On the resumption of hostilities the weather looked threatening. Vets had a nice run-up on their forwards' part, who in the first half had been playing a nice combination game. Tommy Hodkinson, Utilities' shalf, gave a nice exhibition of left half playing. Vets forced a corner, but nothing resulted. Utilities, to be in fashion, also pressed, and also forced a corner. Barrett send-

trillites, to be in fashion, also pressed, and also forced a corner, Barrett sending in a nice shot, which was headed out by Perkins (senior), Vets' stonewall back. Vets pressed and rained a few shots into Whitworth. Vets' forwards, who were out to score, continued to press, but failed to locate their opponents' net. Utilities pressed. Leigh having a great run down the field, his clubmates continuing to press matters, but nothing resulted. Utilities kept pegging away, their forwards playing in great style. Dickson, their centre forward, secured an opening and sent a good shot past Ireland, thereby evening the score. Utilities continued to press, raining many shots into the goal, Ireland having his work cut out in saving them. Utilities forced a corner, but nothing resulted. Vets pressed, but the game was immediately taken down into their own territory, Leigh having a good try for mediately taken down into their own territory, Leigh having a good try for goal, but Ireland saving in grand style. Leigh again got the ball and sent in a good shot, which struck the upright, the rebound ball being caught by Sidebottom, who sent the ball right into the net

## AS YOU WERE

In full view of the recent showing of the Oxford and Cambride relay men gainst the United States cracks at the Penn. games, there is still a good foundtion for the belief that England's Olympic team this year will not be nearly as strong as in other years. It looks as if the United States will realize anticipations of a good margin on the games generally.

Canada's prospects, judging from the reports from all over the Dominion and rom some of the trials are not much brighter than the mother country's. Waler Knox is quoted as being rather pessimistic over the track events. Wrestling wimming and trap shooting should bring laurels, however, to the Maple Leaf eams, which, added to the early hockey victory of the Winnipeg Falcons, will make a creditable show in the total point column.

The example of Bob Dibble at Philadelphia shows clearly that many wounded thletes who appear good in the tests have not their old-time stamina. Dibble wounded three times in France, seemed every bit as good as he ever was. But while his unconquerable spirit went into a stroke which kept him ahead for most of the race, the final test found him lacking. He had beaten Kelly numerous in the sixth to tie the score, by maultimes, but the effects of wounds were in the balance against him.

public waited for the pictures to decide Heving, c, the winner for themselves. Toronto and Hamilton audiences decided without any trouble, and it will be interesting to see what the London fighting public make L of the pictures coming tomorrow night

While all balldom puzzles its head over the reason for Kauff's departure from the Giant camp, the erstwhile temperamental fielder gets an unusual chance to vent his ire, and he has any, by smashing out a homer against his very recent clubmates, thereby beating them. Spencer, for whom he was traded, could be the coul wangle but a double. Kind of "I hate to show you up, but I've got to make you sorry, you bade me goodby" touch about it. Benny must have been covered with confusion just about that time,
