NOTE AND COMMENT

Thomas Rennie promises to make good on his statement that he is the champion skip of this bowling year. His long list of successes was capped on Saturday by defeating a hand-picked Royal City rink at Guelph, the Toronto rollers being up 15 to one in the end and the Rennie's victory had compassion on their opponents, who added 15 more before the finish.

Pittsburg is Knocked Out of Pennant Race and New York Still Has Chance

CHICAGO, Oct. 4.—Pittsburg was today eliminated from the National League pennant race when Chicago scored a victory before a crowd declared to have been the largest that ever paid to see a game of baseball in the world. It is said there were 30,547 paid admissions. Today's game was the final one of the season for Chicago and Pittsburg, while Detroit has three more to play, all with Boston. If one of these games is not played by reason of the weather, or for other cause, if Boston wins one of the pennant will go to Chicago for the third successive year. By winning all three National League games, Chicago's percentage of .61. To-night Chicago leads the league with .64. Pittsburg follows with .58, and New York, which did not play to-day, with .53. The story of the victory is a simple one. Chicago garnered twelve hits off Willis and Cannitz and Brown allowed Pittsburg but seven. The contest was evenly waged until, in the seventh, the umpire's decision questioned only once, and this in order to settle the dispute as to whether the excitement under which the players worked.

Chicago of New York in National League Against Detroit, Cleveland and the White Sox

Baseball on Saturday

NEW YORK, Oct. 4.—With the close of this season only two days away in the American League and three in the National League, the outcome of the race for the pennant still hangs in the balance to be decided by the games yet to be played. Never have the finishes in the two major leagues been so close and exciting and never has the interest in the game thrummed the country been kept at such intense pitch as to date. The contest narrowed down several weeks ago to three clubs in the National League, and to two in the American League. St. Louis was eliminated from the American League fight long ago, but Detroit, last year's champion, kept Cleveland and Chicago very close. These clubs were the main contestants for the flag in the game to be played Monday and Tuesday. The contest was evenly waged until, in the seventh, the umpire's decision questioned only once, and this in order to settle the dispute as to whether the excitement under which the players worked.

Union Games

League and Exhibition Rugby Games Decided Saturday

The Rugby season was opened in Toronto on Saturday, when Varsity and Toronto played an exhibition game at Rosedale, the collegians winning by the close score of 13 to 12, after being behind at half-time, 9 to 3. Although delightful weather prevailed, only a handful of spectators were present, and the earnestness of the season, they were treated to a good exhibition of rugby, the kicking of Morrison and Gall and the bucking of Mara and A. Austin being some of the features. Several accidents occurred throughout the game, Lawson, the Varsity centre-half, being forced to retire in the first half, while Corryell was scolded at "padding" by Faidia. In the last period, on a line back by T. A. A. C. Captain Moon Lee and Faidia had a collision, Faidia receiving a six-inch cut on the side of the head that opened up the scalp, he retiring for the rest of the game. Dixon taking over for the rest of the game, Dixon taking over for the rest of the game.

Hamilton

Hamilton's New Club House

The Parkdale Gun Club held their opening shoot of the season, G. M. Duncanson being the first to shoot. Several members of the National Gun Club were present. Shooting will continue Saturday afternoon in future, and members of the club are invited to come and spend the afternoon. Appended are the results:

With baseball centres everywhere excited over the outcome, no wonder the fans in the five interested cities are dippy in the night. The Sunday attendance at the Pittsburg game in Chicago was over thirty thousand in all the more remarkable because Detroit played the White Sox at the American League grounds, where there was also a record crowd. As Detroit has two more games in Chicago, it looks quite probable that the two Windy City teams may again contest for the world's championship in the latter part of the year. However, Cleveland, with three games against St. Louis, seem to have a trump card.

Then there is the racing game just as popular as baseball. Two full trains of excursionists pulled out for Hamilton on Saturday, where the races close next Saturday. They have returned tickets and rode back. How would a two weeks' meeting following Hamilton do, at say, the old Newmarket track?

The Rugby football season is now well under way. A couple of exhibitions and one league incident should tell the local sportsman that the Argonauts must be somewhat depressing to the friends of the game. In the first game, the usual strength in these Tigers, for did not they trim our own T. A. A. C. by a double-figure score a week ago?

The Indians of the Carlisle School have secured unique games in Chicago, the title by which a redskin candidate for full-back is known. If he lives up to his name, he will be a valuable asset to his team. He is to get a few jabs in the slats during the game to be played, for Cries for the Indians has been a considerable damage. The Indians have a barrel playing centre, and Little Old Aid of the Indians, who has been again in the line-up. Balenti, who takes the place of Mt. Pleasant at quarter-back, is a player of Caucasian blood in his football days at Carlisle, and he should make a brilliant record for himself this season.

For the fourth time Joe Gans, ex-champion lightweight pugilist, and well known nationally among the sportsmen, was married Saturday at Baltimore to Martha Davis, a young girl who has been pugilist known for several years. All of Joe's friends, says a home paper, are inclined to believe that the fight and pugilist has known for several years. All of Joe's friends, says a home paper, are inclined to believe that the fight and pugilist has known for several years. All of Joe's friends, says a home paper, are inclined to believe that the fight and pugilist has known for several years.

Manus Davis has attended the majority of fights in his boxing career, and he is known as a master of ceremonies at the fights, and is almost as equally well known among the friends and admirers as the fighter himself.

The fight is socially sufficiently important to have attracted a number of admirers. He divorced his third wife, who was Madge Watkins of Cincinnati, about three months ago, and he is now fighting in the divorce courts. His wife, according to this one was Beulah Henderson, who did some of the best boxing in the world. His first wife was a Baltimore negro by the name of Florence Reed, and from whom Joe obtained his first wife after finding that marital troubles were possible with one who he thought would be an affinity as well as wife.

Mayor Stewart making a strike. About 200 people were present. All of the committee were opening a most auspicious one. W. V. Thompson, champion bowler of America, and Mrs. Gertrude Thompson, lady bowler, pleased the crowd with an exhibition match, the lady winning by 48 to 0.
