J. P. Bickell & Co., Lawlor Bui

Sept. Dec. May

Open. High.

J. P. Bickell & Co. say at the close

Wheat values past week were under pressure, influenced by slack cash de-

mand and brilliant harvesting condi-

tions, and altho rallies were frequent

due to oversold conditions, market still

has the appearance of a downward

tendency. Leaders and trade general-

ly are evidently desiring to see a closer

adjustment of cash values, which will

be in evidence during coming run of

spring wheat, and altho foreign con-

ditions are not bearish, exporters are

inclined to expect lower prices, con-

continue to expect a trading market

only until effect of initial movement

of spring wheat on cash values is more

ST. LAWRENCE MARKET.

Receipts of farm produce were 15 loads of hay, with many mixed loads in the north building, the east side being filled; also a large delivery of butter, eggs and poultry on the basket market. This basket market was crowded with buyers and sellers. The space alotted for the basket market is too small.

Hay—Fifteen loads sold at \$20 to \$21 per ton for old and \$18 to \$19 for new.

Potatoes—Several loads of potatoes sold at 60c to 70c per bushel by the load, and 75c to 80c by the single bushel.

Poultry—Receipts are becoming larger and cheaper as the season advances. Chickens sold at 18c to 19c per 1b., with one or two lots of extra choice at 20c; ducks, 15c to 16c per 1b.; fowl, 11c to 12c per lb.; old hen turkeys, 17c to 20c per lb.

Butter—Receipts large, prices easy at 22c to 25c per 1b. The bulk sold at 23c to 24c per lb.; those paying 25c got a specially prepared quality of butter, of which there were many lots.

Eggs—Eggs were fairly plentiful and sold from 25c to 27c per dozen, the latter price being for eggs laid during the week or last two or three days.

World Office, Saturday Evening, Aug. 21. Considerable irregularity has pervadconsiderable irregularity has pervated the local mining exchanges during the past week and, while good advances have been made by a few of the Cobalt Issues, the general undertone of the market has been somewhat easier. The recent strength exhibited and consequent advances made by some of the listed stocks has had a decided influence in bringing profit-taking into of the listed stocks has had a decided influence in bringing profit-taking into play, and this has been partially responsible for the apparent weakness displayed during the last few days. The break on Wall-street has also had an influence on the mining securities, these fluctuating to a certain extent, in sympathy with the larger market.

Trading was somewhat limited at times, but the aggregate amount for the listed stocks has had a decided influence on the New York curb. Nipissing closed 10% to 10%; no sales. Buffalo, 2% to 3%. Balley, 12 to 13. Bay State Gas, 1% to 1¼. Coloniai Silver, ¼ to %. Cobalt Central, 40 to 40%; 1000 sold at 40%. Foster, 40 to 45. Green - Meehan, 16 to 20. Hargraves, 54 to 60. Kerr Lake, 16 to 20. Hargraves, 54 to 60. Kerr Lake, 17 to 18 to 20. Hargraves, 54 to 60. Kerr Lake, 18 to 20. Harg

times, but the aggregate amount for to 8%; the week is considerably above the average. Brokers always look for a dearth of public interest during the summer months, but the market has proved an exceptionally firm of late proved so exceptionally firm of late that considerable disappointment has been expressed at the weaker tone of the last few days.

The redeeming feature has been the strength exhibited by Kerr Lake thru-out the week. The continued favorable reports of the great asset value of this mine as revealed by further underground development work has proved an undoubted stimulus to the shares, which advanced a hundred and twenty-five points during the week. An easier

which advanced althumber and at silver Lake, early next summer, five points during the week. An easier tone developed at the close, however, on liquidation, and the stock sold back to below the nine-dollar mark. The closing quotations were higher at 9.15. The announcement some days ago that certain New York individuals had purchased sufficient Silver Queen stock to give them control had a decided influence on that issue, the prevailing diea being that shareholders would rediea being the diea of the chute, giving a working head of 42 feet, and power will be transmitted by trunk line and thruck line the lead of Elk Lake, and thence by branch lines to local transformer stations. With the development of a sufficient market at Gowganda, it is the

The other Cobalt issues might be generally grouped together as showing declines for the week. True, some gains have been made, particularly during the first few days, but any apparent strength has been followed by a setback, which has carried quotations below the former levels. tions below the former levels.

The only exception which might be taken to this is Beaver, which was the Lake and Gowganda, is extending, judging from the number of representatives of United States mining syndicentre of a bull movement, following the report of another strike on the procates who leave for the north daily.
Last night Wilbur King of Detroit having been uncovered on Wednesday. Cates will be the market for the next few days, but the extensive profit-taking which evolved carried the price back almost evolved carried the price back almost and several other Buffalo investors and several other Buffalo investors

balk stands to-day at 61 3-4, against 68
last Friday. Foster closes some eleven
points below last week; while Nancy
Helen shows a loss of 6 points. Chambers-Ferland, Cobalt Central, Nova Scobers-Ferland, tia, Otisse, Timiskaming and some oth- falo ers are lower. Gifford, Green-Meehan, Little Nipissing and Rochester have Silver Mines has returned from Calumet, Mich., and states that a number made advances.

Among the unlisted issues Hargrave of mining men from that district are came into prominence late in the week advancing some four points on news of more favorable development at the mine. Local brokers are bullish on this stock and higher levels are generally acceptable development at the mine. Local brokers are generally acceptable development at the mine. Local brokers are generally acceptable development at the mine. Local brokers are generally acceptable development at the mine. Local brokers are generally acceptable development at the mine acceptable development at the mine acceptable development at the mine. Local brokers are bullish on this stock and higher levels are generally acceptable development at the mine acceptable development predicted, following the appreciation for a recording office. It was formerly of Kerr Lake, which adjoins the Harlocated there, but moved up to Elk grave property.

The market closes the week on the easy side, but with professional sentiment inclined to look for higher levels. The recent weakness has had a good effect on Cobalts, serving to freeze out small speculative accounts. Given a freedom from any material sympathetic weakness reflected from other markets, a better run of prices is looked for by

MOLSONS BANK CLERKS MUST GET \$1200 OR BE SINGLE.
